

# Chimney, Tunnels Make Power House Renowned

By JOE BOEHRET

Towering 150 feet is the red brick chimney which marks from all over campus the location of the University power plant at the corner of Burroughs Rd. and College Ave.

Built in 1929, the plant has been supplying the main campus with steam and electricity since 1930.

## AIM Board Will Probe Street Care

The Association of Independent Men Board of Governors decided Wednesday night to investigate the possibility of placing waste containers at key spots on campus and having dirt removed from the streets.

Lynn Scheirer, junior in civil engineering from Reading, was appointed chairman of a committee to investigate the matter.

His committee will report to the board at the next meeting.

### To Hold Elections

The board also decided to hold the AIM elections on April 3. Acting on a recommendation from the executive committee, the board moved the elections date to correspond with other spring elections.

Nominations for the AIM elections will be held on March 27.

James Tipton, Town Independent Men president, reported that 224 ballots were cast in the TIM elections yesterday. Balloting will continue today.

### Chairmen Appointed

Three committee chairmen were appointed at the meeting: John Marko, spring dance committee; James Wambold, trophy committee; and James Goodwin, elections committee.

Lash Howes, AIM president, announced that the board will hold a coffee hour with members of All-University Cabinet at 2 p.m. tomorrow.

## Pitt Matmen--

(Continued from page six)

Against Lehigh, Johnson moved up to 177 and proved he could handle the extra weight by walling Bill Gustafson, 6-0.

Junior Vic DeFelice, third in the Eastern tournament last season, is the Panther's 137-pounder. DeFelice, who hails from Canonsburg, had an eight-match winning streak snapped two weeks ago by Lehigh's Eastern titlist, Joe Gratto, 16-6. All of DeFelice's victories have been earned the hard way, by decisions.

Bob Richardson, another junior, has been carrying the bulk of work at 157, recording three wins and four defeats. He also lost a match while competing at 167. Richardson owns one fall, a second period pin over Maryland's Nick Biondi.

Bob Bubb, a regular last season at 147, has seen action at both 147 and 157 for the Panthers this year. He has an overall mark of 1-3, but that one win was a first period fall over Michigan's Dick Schneiden.

Sophomore sensation Tom Alberts occupied the Pittsburgh 177 starting post most of the season but he has not wrestled in the Panthers last two outings.

Alberts has chalked up five victories against two defeats this year. One of his losses came on a forfeit to Lock Haven and the other was a 5-2 defeat to Iowa State's Big Ten Champion, Frank Powell.

## Chaplain to Talk At Hillel Tonight

The Rev. Luther H. Harshbarger, University chaplain, will be guest speaker at the Sabbath Eve Services at 8 tonight at the Hillel Foundation.

This is the annual Brotherhood Service which is sponsored by the Anti-Defamation League Committee of the Avodah Chapter of B'nai B'rith Women, who will be the hostesses at the Oneg Shabbat reception which will follow the service.

The service is open to the public.

## 'Dandy' Cast Needs Actors

Wanted: Students to play unusual parts in William Saroyan's production, "Jim Dandy."

Cast members needed include a small woman to play the part of a young boy; a man to play the part of a Negro or Mexican; and either a very large or very small man to play the title role.

Those interested should contact the director, Kelly Yeaton, associate professor of theatre arts, today in the Greenroom in Schwab Auditorium or call AD 7-3109.

Acting experience is not necessary.

Also needed is someone who can compose or construct an unusual musical background for the play which opens April 4 at Center Stage.

## Baseball Managers

Sophomore candidates for baseball managership may apply at the Athletic Association office in Recreation Hall.

The first newspaper in America to be published daily was the "Pennsylvania Packet and General Advertiser," Philadelphia, in 1784.

## AEC Grant--

(Continued from page one) grant. The funds were the first to be distributed from an allocation made by the last Congress for atomic research assistance to educational institutions.

The development of University off-campus centers began in 1933.

## AM Station--

(Continued from page one) ed by All-University Cabinet last spring. Since station WDFM was first broadcast in 1953 on an FM band, students living on campus have been unable to receive it with regular AM radios. WMAJ, the State College AM station, has been the only strong station on campus radio dials.
