

Spring Carnival to Use 'Disneyland' Characters

Spring Week will bring a miniature "Disneyland" to the campus.

The Spring Week Committee has received permission from Walt Disney to use the theme "Disneyland" and any of his characters or stories.

The three categories of the carnival, which will be held at the Golf Course again this year, will be Fantasyland, Tomorrowland and Frontierland.

Kadis Fund Hits Final Total of \$727

The final day of collections for the "Dick Kadis Fund" brought the final total to \$726.90. Donations yesterday came to \$71.40 and pushed the fund over the \$700 mark with something to spare.

Eight donations were received yesterday with Beta Theta Pi topping them all with a check for \$13.75. Sigma Chi was the leading fraternity, money-wise, giving \$30. A check for the total amount will be sent to the Kadis Family in the next few days.

In yesterday's listings of donors it was erroneously printed that Delta Sigma Phi had given \$15. Delta Sigma Pi, business fraternity, was the donor of the money.

Varsity "S" Club President Paul Roberts said yesterday that he was entirely pleased with the turnout and wished to thank Dean Earnest McCoy of the Physical Education College and other University officials "for making the drive a success with their co-operation."

Kadis is still listed in "poor" condition at a Cleveland hospital and is still in a coma. He was injured last Sept. 29 while playing football for Geneva College. His medical bill totals over \$13,000.

Yesterday's donors:

Alpha Gamma Delta	\$ 9.00
Gamma Alpha Beta	6.40
Sigma Sigma Sigma	4.50
Sigma Alpha Mu	8.40
Theta Phi Alpha	10.00
Delta Gamma	9.00
Beta Theta Pi	13.75
Anonymous	5.35

Partly Cloudy, Milder Today

Since the freezing rain and snow have, momentarily at least, left the campus scene, the Nittany Lion and a few of his friends have decided to get in one more ice hockey game at the University skating rink before the season ends.

During a brief interval in the game, when the Lion was seated in the penalty box, a beaver friend asked how he felt about the campus weather and he replied that since March had come in like a lion it would go out like a lamb. The beaver hoped the lion was correct.

Today will be partly cloudy with a high temperature of 30-35 degrees.

Bloodmobile Drive To Begin in April

The district Red Cross unit has announced that the Red Cross Bloodmobile will be on campus April 9 and 10.

The Bloodmobile will be in the card room of the Hetzel Union Building from 10 a.m. to 4 p.m. for the two-day drive.

Students between the ages of 18 and 21 are considered minors and therefore must have a release from their parents to give blood. Cards will be distributed to students to send home for the releases.

Clique Battles Open On Political Front

MARCH CAME in like a lion yesterday when a steady snowfall blanketed the area. Physical plant employees were kept busy clearing the campus. Above, two employees shovel the early morning snow from the steps of the Fred Lewis Pattee library.

Parties Begin Candidate Bids At 7 Tomorrow

The political scene will become hotter at 7 p.m. tomorrow when both parties hold their second round of clique meetings for the preliminary nominations of candidates for the spring elections.

Lion party will meet in 121 Sparks and Campus party in 10 Sparks. Campus party will also elect junior and senior class clique officers.

The All-University Elections Committee will meet at 8 p.m. tomorrow in 121 Sparks to review party planks which were not approved Wednesday night.

Planks Not Approved
The two Lion party planks which were not approved dealt with air conditioning in downtown motion picture theaters and the proposed downtown student discount service.

The Campus party plank which was not approved advocated that the various alumni associations in conjunction with present students of the University would sponsor social gatherings during the summer months for all new students.

The unapproved planks were refused passage because they were not "within the scope of political parties," John Bott, Campus party clique chairman, and John Godayte, Lion party clique chairman, will present reworded versions of the planks to the Elections Committee.

Students Must Register
Tomorrow night is the last opportunity students will have to register with the Elections Committee for party membership. Students must register and receive clique cards in order to be eligible to vote in the final candidate elections. If students registered last Sunday they will not be required to register again. Approximately 400 were signed up last Sunday.

In addition to the clique meetings, the steering committees of both parties will meet at 2 p.m. tomorrow to plan party policy and organization. Lion party will meet in 217 Hetzel Union and Campus party in 212 Hetzel Union.

Statistics Say 50 Per Cent Of Students Fail to Finish

Most students have heard an instructor say at one time or another—"Look at the fellow on your left, and the one on your right, because only one of you will graduate."

Perhaps that instructor isn't talking through his hat, because, according to statistics, only three students out of four return after their freshman year and less than half of the freshman class actually graduate.

Analysis Last Fall
The statistics were the result of an analysis made last fall of the status of all bachelor's degree freshmen on and off campus.

Of 3688 students admitted in the fall of 1954, 76.2 per cent returned after one year and 54.8 per cent returned after two years.

In the fall of 1955, 3576 students were admitted and 73.1 per cent of these returned after one year. The student mortality rate has been almost precisely consistent during the past five years. Of the class of 1954, 70 per cent returned after one year; 51.6 per cent returned after two years; 46.5 per cent returned after three years; 7.2 returned after four years; and 1.6 returned after five years.

3, 4, 5 Year Graduations
When this class graduated, 1.4 per cent of the students graduated after three years; 40.8 per cent graduated after four years; and 47.2 per cent graduated after five years.

The men-women ratio in the past five years has jiggled about and finally hit an all 5-year high in 1955. In 1951 it was 3 to 1; 1952, 3 1/2 to 1; 1953, 3 to 1; 1954, 3 to 1; and 1955, 4 to 1.

at the Golf Course again this year, will be Fantasyland, Tomorrowland and Frontierland.

Spring Week 'First'
A Spring Week "first" will be added to this year's events with the addition of a coed event in correlation with the He-Man contest.

In order to qualify a group for this contest, a coed must be one of 10 winners in a 50 yard dash. Two girls will then work as a team in a "suitcase race."

One coed will open a suitcase full of peculiar clothes, put them on, run to her teammate 30 yards away and take them off. The teammate will then put the clothes on, run back to the starting point and repack the suitcase.

Preliminary Judging Events
The events for the preliminary judging of the He-Man contest will be the 100-yard-dash and the shotput. Ten finalists will then compete in the 100-yard-dash, the shotput, the steeplechase and a weight lifting event, the bench press.

The Mad Hatter's Contest, which will be held at Beaver Field, will adhere to the same themes as the carnival. Each group entered will carry a unit hat "worn" by no more than six students. Other members of the group will wear individual hats to complement the unit hat and tell a story in accordance with the category.

Winner for Each Event
A winner will be selected for each of the three categories in the carnival and one for each category in the Mad Hatter's Contest.

And what could be more appropriate than using a motif of Cinderella for the coronation of Miss Penn State. Five finalists will be selected for the Coronation and they will be judged on poise, speech, grooming, attractiveness and carriage.

Letters explaining the choosing of themes and Spring Week rules will be sent to all campus groups Tuesday.

Faculty to Hear Speidel

Charles M. Speidel, wrestling coach, will discuss the Eastern Intercollegiate before the Faculty Luncheon Club at noon Monday in the Hetzel Union Building.

Area to Reach Status Quo

UN Prepares to Move Troops As Israelis Leave Gaza Strip

UNITED NATIONS, N.Y. March 1 (AP)—The United Nations moved tonight to post its police forces in the Gaza Strip and along the Gulf of Aqaba as Israeli forces leave under the agreement announced today.

The Israeli decision, forecast last night by its UN delegation, was put before the UN General Assembly by Foreign Minister Golda Meir.

The effect is to return Israeli soldiers to the positions they occupied before last October's invasion of Egypt—behind the 1949 armistice lines.

By withdrawing, Israel meets the demands of both the UN and President Eisenhower —

and escapes the possibility of the punitive sanctions proposed by Arab neighbors in the UN.

Mrs. Meir warned that Israel will fight back if violence flares up against Israel shipping or Israeli territory—and appealed to the Arabs to work with Israel for development of the Middle East. She enumerated steps that Israel understood would take place with the withdrawal, but did not class these as conditions.

Turning Point Hailed
U.S. Chief Delegate Henry Cabot Lodge hailed the Israeli action as a turning point in affairs of the Middle East. He said the United States understands it to mean immediate withdrawal without conditions. Secretary Gen. Dag Hammarskjold issued orders for Maj. Gen. E. L. M. Burns, Canadian

commanding the UN Emergency Force in Egypt, to meet Israeli army leaders tomorrow to arrange for taking over the disputed areas.

Fawzi Comments
In the only Arab comment of today's session, Egyptian Foreign Minister Mahmoud Fawzi said he assumed the Assembly is unanimous in accepting full and honest implementation of its resolutions calling for immediate and unconditional withdrawal of Israel. He observed that nothing said in the Assembly or elsewhere could affect the lawfulness of Egypt's rights and those of the Arab peoples of the Gaza Strip. The Israeli action had been virtually an open secret for two days after many conferences here, in Washington and in Jerusalem.

Car Overturns, 4 Escape Injury

Four students escaped injury at about 9 p.m. yesterday when their car overturned on Rt. 45 three miles west of the Old Fort Intersection.

Jerome Squillaro, sophomore in electrical engineering from Bangor, was driving home with three passengers when the car skidded on the slushy road and made a complete roll, landing on the wheels.

Not even minor injuries were reported.

The names of the three passengers are not yet known.

Squillaro called the state police who fined him \$10 for the accident, according to his roommate, Frank Rizzo, senior in business administration from Pittsburgh.

Spring Cabin Party

The Outing Club will hold a spring cabin party at the Forestry Cabin today.

Folk and square dancing are planned tonight and hiking and volleyball for tomorrow.

Transportation will be provided in back of Old Main at 8 tonight. The cost is \$1.50 per person.
