

Greek Sing Contest Judges Announced

Judges for the Interfraternity-Panhellenic Councils Sing to be held March 26, 27 and 29 have been named by Gail Kleppinger and Thomas Hollander, co-chairmen of the sing.

Judges for the preliminaries on March 26 are Dr. Gerald M. Torkelson, assistant professor of visual education; H. Dennis Sherk, co-ordinator of TV presentation, and Robert M. Koser, assistant registrar. Fraternities will participate in the preliminaries from 6:30 to 9 p.m. on March 26 in Schwab Auditorium.

The preliminary round for sororities will be held from 6:30 to 9 p.m. on March 27 in Schwab Auditorium. Judges for that night are Mrs. A. William Hajjar, wife of A. William Hajjar, professor of architecture, and Bernard P. Taylor, executive director of the Penn State Foundation.

3 Judges Named

The winning choruses from each of the first two nights will compete in the finals which will be held at 7 p.m. on March 29. Three of the four judges for the finals have already been chosen. They are Frank Gullo, associate professor of music, Mrs. E. Scott Roscoe, wife of E. Scott Roscoe, associate professor of industrial engineering, and Dr. Torkelson. Permanent trophies, rather than rotating trophies and plaques, which were given to winners in previous years, will be awarded to the winning fraternity and sorority. Bronze plaques will be awarded to second-place winners in both the fraternity and sorority groups.

In previous years, fraternities and sororities were required to win the sing for three consecutive years before they could obtain possession of a permanent trophy.

Last year, Tau Kappa Epsilon and Kappa Alpha Theta won for the third consecutive year, and gained possession of the rotating trophies.

The winners of the sing will be announced at the finals, but trophies will be presented at the IFC-Panhel banquet on April 4 at the Nittany Lion Inn.

The required songs for fraternities and sororities will be sung without piano accompaniment. The other selection may be of the organization's own choice and can be sung with or without piano accompaniment.

The required song for fraternities is the "Whiffenpoof Song," and for sororities, "Moments to Remember."

Judging Basis Given

Judging will be based on tone quality, intonation, interpretation and phrasing, balance of parts, diction and general effect.

Twenty-two fraternities and 17 sororities will compete in the sing. Last year, 19 fraternities and 14 sororities entered.

A meeting for all song directors will be held at 6:15 p.m. March 24 in 214, 215 and 216 Hetzel Union. They will be briefed on details for the sing at that time.

Attempts had been made by the sing co-chairmen to have either the winners or finalists in the sing appear on WFBG-TV in Altoona. This plan was abandoned because no response was received from the station, according to Hollander.

Transfer Bill Introduced

A bill was introduced in the state House of Representatives Tuesday which would permit officers or employees of the University to transfer to the state employes retirement system with full credit from the teachers' retirement system.

Japanese to Print Professor's Book

A text by Harold P. Zelko, professor of public speaking, will be translated and printed in Japan by the Diamond-Sha Press of that country.

The book, "How to Become a Successful Speaker," was published in 1950 by the National Foremen's Institute primarily as a practical text for adult training in effective speaking and oral communications.

The book, which was selected in 1952 as a Book-of-the-Month selection by the Executive Book Club, New York, N.Y., is aimed at general adult reading and particularly supervisory management personnel.

CLASSIFIEDS

FOR SALE

SACRIFICE—110 lb. Healthway Weights, almost new. Originally \$27, now \$18. Al Messel ext. 1187.

1948 BUICK Convertible: good condition. Call Herb Patterson at Theta Delta Chi, AD 7-4402.

LOST

TAN MACKINTOSH raincoat. Owner's name in pocket. Taken by mistake from first floor Main Eng. at 10 a.m., March 14. Sentimental value. I have your "AGU." Call John, AD 7-3332.

1957 CLASS RING between McElwain and Simmons. Call Paul AD 7-2984 after 7:00. Reward.

ON CAMPUS, Penn State ring, blue stone with Pi Kappa Phi insignia, '58. Lew Shemery AD 7-4937. Reward.

WILL PERSON who took red English Bike in front of Rec Hall Sunday night please return it to porch of Marilyn Hall, 317 E. Beaver.

ALLIGATOR RAINCOAT Saturday nite DTD: left pocket sewed, safety pin inside right lapel. Reward. Bob ext. 783.

ENGINEERING STUDENTS

WE CAN'T PROMISE YOU THE WORLD...

...but

we can offer you a genuine career opportunity with the leading jet aircraft equipment manufacturer.

Hamilton Standard's tremendous rate of expansion alone is evidence enough of the obvious opportunities now open at this beautiful, modern plant. However, there are numerous other "plus" values which you will want to consider:

- 1) the opportunity for further, tuition-assisted study at R.P.I. Graduate Center.
- 2) the exciting, challenging projects dealing with fuel controls for both jet and nuclear engines, air conditioning systems, jet starters, and turbo-propellers.
- 3) the tremendous variety of openings, so that you may select the field which interests you most.
- 4) the ideal location, in beautiful Connecticut, within easy travel distance to Boston or New York.

These are just a few of the reasons it is essential for you to talk to Hamilton Standard.

If you cannot attend an interview, please send your resume to Ted Fisher at
