10 Absences Kill Meeting Of Cabinet

A meeting of All-University Cabinet, scheduled Sunday night, was cancelled by President Robert Bahrenburg after only 14 of 24 members appeared for the meeting.

The Sunday meeting took place instead of the regular meeting last Thursday because of the conflicting speech of Gov. George M. Leader.

Absences Unexcused

Bahrenburg said that there was no excuse for the absences because the change in the meeting was announced. Leonard Richards, secretary-treasurer, tried to contact the absent members 15 minutes after the meeting was to begin but reported that they were either out of town or involved in other activities.

The members present constituted a quorum—one over a majority—but Bahrenburg said he didn't think it was worthwhile to hold the meeting.

These officers are enthusiastic when they're elected, he said, but when it comes to the end of the year, their interest dies out.

"I've enjoyed working with Cabinet," he said, "but I'll be glad to get out of office—not as All-University president, but because of things like this."

Installation Scheduled

Bahrenburg said that the new Student Council presidents, scheduled to be installed Thursday, will now be installed March 28 with the new All-University officers.

The agenda for Sunday's meeting will be held over until Thursday. It includes reports from the radio committee, book exchange and downtown bookstores committee, interclass budget committee and the group insurance plan.

The Women's Student Government Association House of Representatives will meet at 12:30 p.m. today in the Grange playroom to hear May Day committee reports.

Garcia Takes Over Top Philippine Post

MANILA, March 18 (AP)—Solemn-faced Carlos P. Garcia took the oath as the Philippines' fourth president tonight and ordered a state funeral and national mourning for President Ramon Magsaysay.

Magsaysay, 49, hero of the young republic's fight to crush the Communist Huk movement and establish a stable democracy, died Sunday in a plane crash. The country faced the prospect of election turmoil in the choice of a new president next November.

Garcia, 60, vice president and foreign minister, had just returned from a Southeast Asia Treaty Organization meeting in Australia, when he raised his hand and swore the oath in a brief ceremony before Chief Justice Ricardo Paras.

To Carry on Program

Garcia promised "to carry on every item of the great political program to which President Magsaysay and the Nacionalista party have given their all and their best."

Garcia pledged his administration would continue an uncompromising fight against Communism.

A veteran of 33 years in Congress, as governor of his home province on Bohol Island and as vice president, the stocky Garcia is considered a strong proponent of Magsaysay's pro-Western policies.

Political chiefs agreed that the loss of Magsaysay's strong leadership of his Nacionalista party in the November elections could throw the nation into turmoil.

Foregone Conclusion

His renomination had been a foregone conclusion. The Liberal party, floundering from two crushing defeats, had even come around to supporting him for reelection. Now it may put up a candidate of its own.

Four men had been mentioned as Magsaysay's running mate. But it remained to be seen whether they would emerge as presidential timber.

They include Garcia, an amiable Nacionalista member of the Old Guard, rated as having the inside track for vice president.

Area Light Failure Due to Bad Cable

A cable blew out early yesterday morning near Atherton Hall causing a one hour light failure in the area.

Emergency power was directed to the area from the West Penn Power Co., according to Harold E. Byers, foreman at the University power plant.

The cable is now under repair and power is still being taken from the West Penn Co. Repairs should be completed sometime today, Byers said.

Class, AA Officers Also to Be Elected

Voting for All-University and senior and junior class officers will begin today and will continue from 8 a.m. to 9 p.m. today, tomorrow and Thursday.

Athletic Association officers will also be chosen at the elections, which will be held in the cardroom of the Hetzel Union Building.

Matric Card Needed

Any student may vote in the All-University elections, but will be required to produce a matriculation card to gain entrance to the polls.

Only students who will be juniors or seniors next fall may vote for the officers of their respective classes. The AA officers will be chosen only by male students.

Four voting machines were set up in the cardroom yesterday. Two of the machines, which are rented from the Shoup Voting Machine Co. of Philadelphia, arrived Saturday and the other two were delivered yesterday.

Procedure Explained

The procedure for operating the machines was explained to members of the All-University Elections Committee at a meeting last night.

The Elections Committee will meet Thursday to hear complaints which the parties wish to register concerning the voting or any aspects of the campaign.

Both parties wound up their official campaigning last night. The nominees visited residence halls and fraternities in an eleven-hour effort to get out the vote for their respective causes.

Ended at Midnight

The campaigning ended at midnight. William Johnson, Elections Committee chairman, said that by that time the parties were required to have removed painting from downtown windows and posters and other campaign material from public display.

A list of the party nominees for the All-University and senior and junior class offices appears elsewhere on this page.

The candidates for Athletic Association president are: John Johnston, senior in industrial arts from Clearfield and a member of the varsity wrestling team; Joseph Sabol, junior in physical education and captain of the football team; and Per Torgerson, junior in electrical engineering from Altoona and a member of the varsity soccer team.

Runner-Up Becomes VP

The runner-up presidential candidate is automatically elected vice president.

The candidates for AA secretary are: Earl Poust, junior in agricultural education from Muncy and a member of the varsity wrestling squad; and Adie Stevens, junior in physical education from Pittsburgh and a member of the varsity gymnastics team.

Polls to Be Open Until 9 Tonight

The All-University Elections Committee has decided to keep the polls open from 8 a.m. to 9 p.m. to accommodate as many voters as possible in the All-University elections today, tomorrow and Thursday.

All students are eligible to vote for the three All-University positions. Sixth and seventh semester students may also vote for senior class officers and fourth and fifth semester students may also vote for junior class officers.

Four Voting Machines

Elections committee members will be present at the polls at all times to handle voting procedures.

Four voting machines, one for each class, have been placed in the card room of the Hetzel Union Building. The slots which students are not eligible to vote for will be blocked out.

Matric Cards Needed

William Johnson, All-University Elections Committee chairman said students who wish to vote must present their matriculation cards. Pictures will be checked against the students and the letter A will be punched on the matriculation card to prevent students from voting more than once.

Last year centralized voting—with two machines in the Hetzel Union Building—was used. This plan was adopted again this year by the elections committee but with four machines being used to eliminate having to change the slots each time a student wished to vote.

Borough Votes DST For April 28 - Oct. 27

Borough Council last night set Daylight Saving Time for April 28 to Oct. 27.

In a unanimous vote, council expressed a need for passing the once-tabled proposal to allow the University plenty of time "for the printing of tickets and time schedules for football games and other athletic events."
