

# IFC Elects 5 Members To Buying Association

The Interfraternity Council last night elected five members to its Purchasing Association Board of Directors.

Elected were David Tressler, Tau Kappa Epsilon; Leslie Phillabaum, Acacia; Robert Waterstradt, Sigma Phi Alpha; Robert W. Adams, Theta Chi; and James J. Burns, Theta Xi.

According to the IFCPA constitution, its board of directors should consist of five undergraduate fraternity men and six other members.

The non-undergraduate members of the board are Dr. G. Kenneth Nelson, associate professor of accounting; Mrs. Ada F. Konhaus, member of the home economics county extension staff; H. T. Tiffany, chief accountant for the Ordnance Research Laboratory; Gifford Phillips, financial adviser to Phi Sigma Kappa; and Mrs. Brownie Biales, house-mother for Delta Chi.

### 6th Member Needed

The council still has to select a sixth non-undergraduate member for the board.

The council also passed several amendments to its constitution.

By a vote of 47-2, the council passed the amendment that in the case of the "necessary absence" of a chapter president, he will present a written authorization naming a chapter officer as his

# Lion Prepares To Face Rain

The Nittany Lion stepped from his den this morning complete with water wings and swim flippers ready to confront the April showers, better known as the Penn State monsoons.

The Lion also had his raincoat tucked under his arm in case he dries off during his three-hour social lab in the HUB and the precipitation slows to a mere downpour.

He was disappointed at the weatherman's forecast of continuing rain. The temperature was predicted to rise to the middle 50's today after a low last night of between 40 and 50 degrees.

### \$400 Research Grant Given by Corporation

The Tennessee Corporation has made its annual gift of \$400 to the University to support research in the Department of Botany and Plant Pathology.

The gift, which is unrestricted, has been presented to the department by the corporation for the past 10 years.

# Lion Party to Decide Policy

Lion Party will hold a series of open meetings during the next few weeks—beginning Sunday night—to determine the future policies of the party, according to John Godayte, clique chairman. Godayte said clique officers for next year will be elected at a general clique meeting following the discussion sessions.

The meetings will be conducted informally and will be similar to last Sunday's informal meeting of the party steering committee. The first meeting will be held at 7 p.m. Sunday in 121 Sparks.

Several members of the steering committee Sunday blamed Lion Party's defeat in the spring elections on disinterested workers and candidates and on poor

organization. "The candidates were terrible and the issues didn't exist," said Samuel Parsons, former vice clique chairman, who called the campaign "the most insipid" he had seen in two years. Mary Malloy, a unit leader, said the party's "left hand never knows what the right hand is doing."

### Phys Ed Council to Meet

The Physical Education and Athletics Student Council will meet at 6:30 tonight in 216 Hetzel Union Building.
