

# Queen Candidates

THE FIVE FINALISTS in the NISA queen contest are from left to right, Donna Tokar, Nancy Tate, Betsy Orr, Marilyn Turk and Nancy Marchese. The queen will be crowned by Charles Speidel, wrestling coach, at the Carnival Time dance Friday night.

## 5 Finalists Selected For NISA Queen

Five finalists have been selected in the National Independent Student Association (NISA) queen contest.

They are Nancy Marchese, sophomore in education from Boston; Betsy Orr, freshman in applied art from Tarentum; Nancy Tate, sophomore in home economics from Biglerville;

Donna Tokar, sophomore in the Division of Intermediate Registration from Mount Pleasant; and Marilyn Turk, freshman in physical education from Canonsburg.

They were chosen from among 18 entrants.

The queen will be crowned at the Carnival Time dance to be held from 8 p.m. to 12 midnight Friday in the Hetzel Union ballroom. Charles Speidel, wrestling coach, will crown the queen.

The other four finalists will act as attendants in the queen's court. The queen will receive a loving cup and a bouquet of spring flowers. The attendants will receive smaller bouquets.

The finalists were selected solely on the basis of photographs. The queen will be selected from personal interviews with student judges.

The contest was open to all independent women.

The NISA bridge tournament will be held at 7 tonight in the HUB cardroom.

The contest, which will be duplicate bridge, is open to any student. Dr. Roger B. Saylor, professor of business statistics will advise the tournament committee on scoring and officiating.

Prizes will be awarded to the tournament winners.

# HUB Show Compares Art Works

The work of American and Scandinavian craftsmen under 30 years of age may be compared in the exhibition, "Young Americans—Young Scandinavians," which is now on view in the Hetzel Union Building.

The display, which is on tour under the auspices of the American Federation of Arts, will continue until April 26.

**70 American Entries**  
The original exhibition, from which the traveling show was selected, was presented by the Museum of Contemporary Crafts in New York City from Nov. 9 to Jan. 6. The American portion of the show consists of 70 entries from the annual competition sponsored by the American Craftsmen's Council. In the Scandinavian display are 20 objects from Denmark, 45 from Finland, 20 from Norway and 40 from Sweden.

Among the objects on exhibition are bowls, bottles, and other containers, dishes, flatware, jewelry made of ceramic, metal and wood, and fabrics and rugs.

**Many Prize Winners Included**  
Most of the prize winners in American and Scandinavian competitions are included in the display. Among the American exhibits are a silk screen fabric by Van Reed, of Memphis, Tenn., first prize winner in the textiles section; six pieces from a chest set which won first prize in the metal class for Karl Krentzin, of Madison, Wis.; and ceramics by Margaret Israel, of New York City, which won first and second prizes.

The first prize winners represented in the Scandinavian section of the show include: Ceramics, a porcelain pitcher, by Richard Lindh, of Finland, textiles, a drapery fabric by Ulla Tollerz; glass, two vases and a tray by Timo Sarpaneva, of Finland; and metal silver cake knife and desert ladle by Nauno Honkanen, of Finland.

### Camera Club to Elect Officers

The Camera Club will elect officers at 7:30 tonight in 212 Hetzel Union Building. The meeting is open to the public.

# Marriage Dreams Analyzed by Smith

By MAGGIE LIEBERMAN

Dr. William M. Smith, professor of family relationships, said last night that young people "in choosing the right one" should dream of a place, of a house, of a plan, of a time and of love.

Speaking at the fourth annual Marriage Conference, Dr. Smith said that dreaming is a popular prelude to marriage and that dreams come out of the past.

"You are in part all of those you have ever met who have had meaning to you," he said.

### Look to Future

Dream of a place in terms of future roles, he said. It is important for the person to ask himself whether he must always be the boss, Dr. Smith added.

Some of the values, prejudices, attitudes and opinions which were developed in the place where the person has lived before are taken with him into the marriage, he said. "Some similarity (coming from the same side of the tracks) is a better augury for marital bliss," he said.

Dr. Smith pointed out "how you make decisions now determines how you will make decisions after marriage." He said that a process of sharing and a sense of direction as well as flexibility and adaptability of the plan is necessary.

### Timing is Important

He quoted Catherine Whiteside Taylor with "When you marry is more important than whom you marry" to show that it is important for the couple "to work out a relationship that can carry them on and throughout the marriage."

"Parental approval, financial basis, work opportunities ahead, eminent separation and obligations to others," are external circumstances which influence the marriage relationship, he said.

The dream of love must contain "sharing in which there is no loss of personality," he said.

### Discusses Love Dream

"The beginning and discovering of a relationship of such a quality that it can flourish in a growing and creative marriage requires both science and art," Dr. Smith said. It demands more than love, he added.

A symposium composed of Mr. and Mrs. Ross B. Lehman, Dr. and

Mrs. Rostum Roy and Mr. and Mrs. Ronald Mountain will discuss the scheme in building a marriage at 7:30 tonight in the lounge of the Helen Eakin Eisenhower Memorial Chapel.

## 10 Students Fined By Traffic Court

Ten students were fined a total of \$58 at a meeting of Traffic Court this week.

The court levied \$41 in fines for parking violations. Failure to report to Campus Patrol office on time amounted to \$2, and failure to display registration stickers totaled \$15.

Fines totaling \$12 were automatically levied on 4 students who failed to appear before the court.

The court reminded students that the only "time zone" or area where parking time is restricted, is in front of McElwain and Simmons Halls on Shortlidge Road. All other "time zones" are for visitors, staff or service trucks.

### Froth Ad Staff to Meet

The Froth advertising staff and candidates will meet at 7 tonight in the Froth office in the Hetzel Union basement.
