Enrollment Increase In Eng Cited

President Eric A. Walker told engineering educators yesterday that engineering enrollment in the state may increase more than two and one-half times by 1975. Walker estimated the present enrollment of engineers in Pennsylvania colleges and universities at slightly over 17,000, which is 10.7 per cent of the total enrollment. The national average is 8.2 per cent.

Engineering enrollment may run as high as 32,000 in 1965 and 43,000 in 1975, Walker said.

Walker welcomed delegates to the opening session of the annual meeting of the Allegheny section of the American Society of Engineering Educators at the University.

Walker mentioned also the growing demand for the introduction of the humanities and a more liberal education into the engineering curriculum.

In response to this demand and the further demand that colleges concentrate on turning out engineers rather than specialized engineers, Walker suggested that it might even be advisable to "revise our course structure to offer a common curriculum to all engineering students during the first two years."

He emphasized, however, that these suggestions were intended merely to generate "some healthy self-appraisal."

X-Ray Deadline Set for Today

Today will be the last day for students and faculty members to receive free X-rays from the state mobile unit located on Shortlidge Rd. near the hospital.

The unit will be in operation from 9 a.m. until noon.

More than 1500 persons received the free X-rays in the first two days of operation. The unit is running at nearly full capacity, with 75 to 80 pictures being taken per hour. State X-ray technicians operating the unit termed the response so far as excellent, and said the 3-day total should top the 1850 total given in last year's program.

Negative readings will be reported directly to the student. Positive results will be sent either to the student's home doctor or to Dr. Herbert R. Glenn, director of the health service.

Pedrick to Head Pollock Council

Edward Pedrick, junior in pre-veterinary from Scranton, has been elected president of Pollock Council.

Other officers elected Thursday are Robert Owens, freshman in vocational industrial education from Easton, vice president, and Kenneth Kuhn, junior in arts and letters from Altoona, treasurer.

The two remaining posts, secretary and representative-at-large to the Association of Independent Men board of governors, will be filled at the first meeting of the fall semester.

President Lynn Scheirer announced that \$10 dormitory allotments will be available immediately for the nine dormitory units in Pollock.

The Varsity Quartet will sing selected numbers including "Coney Island Baby," "The Way You Roll Your Eyes" and "Ain't She Sweet?"

The quartet is composed of John Kelly, junior in geophysics and geochemistry from Philadelphia, Wayne Ulsh, senior in arts and letters from Lakemont, Wayne Zarr, junior in arts and letters from Levittown, and William Hartman, senior in electrical engineering from Nutley, N.J.

The Hi-Los, a comedy group of 18 men, will sing "Mad Dogs and Englishmen" by Nole Coward; "Sit Down, You're Rockin' the Boat," and "Johnny Schmoker." Zarr, baritone soloist, will sing two numbers: Valentine's Aria from "Faust" by Gounod; and "My Lovely Celia" by Munro.

The Glee Club will return with "Swing Along With a Song" by Van Woert; "Come to Me in My Dreams" by Cain; "Sailing Home" arranged by Ringwald; "Sing Me a Chantey with a Yo-Heave-Ho" by O'Keefe; "Rolling Down to Rio" by Kipling-German; and "This Is My Country."

'Mr. Ag' Title Won By Schue

Norman Schue, senior in dairy science from Hanover, was named Mr. Agriculture at the agriculture faculty meeting yesterday.

The merits of the winner were enumerated by David R. Allison, a member of the Coaly Society, which sponsored the contest. The award was presented by Dr. Herbert R. Albrecht, associate dean of the college, who presided at the meeting.

Albrecht particularly commended Schue for his work in student recruitment for the Agriculture college and said that the faculty was proud to have a student in agriculture who had given so much service to the University.

Schue praised the University's facilities, its faculty and the variety of extra curricular activities which it offers.

He said that he had been particularly interested in the student recruitment project and would continue to work in this area, because he felt that the University offers everything that a young man could want.

Schue was president of the Agriculture Student Council this year, and as part of this job was a member of All-University Cabinet and the Intercollegiate Council Board. He has also been treasurer of the student council.

He is manager of the Dairy Exhibition to be held on May 11, and was assistant manager of the event last year.

Schue has been on the executive committee of the Dairy Science Club for two years and has also been active in organizing the Ag Hill Party for the past three years. Last year he was master of ceremonies for the party.

He is a member of Alpha Zeta fraternity and has represented the fraternity in a variety of intramural sports events.

Charlie Speidel, head coach of wrestling since 1927, is dean of the Penn State athletic coaching staff.

Dennis to Address NSA Regional Group

Lawrence E. Dennis, vice president for academic affairs, will speak on "Current Issues in Higher Education" at a plenary session of the National Student Association spring regional assembly at 1 p.m. today in 10 Sparks.

The speech, originally scheduled to keynote the conference at its opening yesterday, was postponed because many delegates had not yet arrived.

Today's program includes sub-commission meetings from 9 to 10:15 a.m. and from 10:45 a.m. to noon. A plenary session will be held from 1 to 3 p.m. in 10 Sparks.

Meetings for all schools represented at the conference will be held from 3:30 to 5 p.m. Schools which hold NSA memberships will meet in 121 Sparks to set up the regional program for next year. Non-member schools will meet in 10 Sparks.

A banquet has been scheduled for 6 p.m. in the ballroom of the Hetzel Union Building. Members of Tau Kappa Epsilon and Kappa Delta, the winners of the interfraternity-Panhellenic sing, will entertain at the banquet.

Area meetings will be held from 7:30 to 8:30 p.m. in 212-218 HUB. Another plenary session will be held from 8:30 to 10 p.m. in the HUB assembly room. Nomination and election of regional officers will take place at this session.

A meeting of the old and new regional executive committees will be held at 10 a.m. tomorrow. About 90 students, representing 20 member schools, are attending. No official delegates are representing the University, although members of All-University Cabinet have been urged to attend the meetings.

Robert Thompson, sophomore in journalism from Paoli, has been prompted to the sophomore board of The Daily Collegian photography staff.
