Limits Confusion
Before this change, women were able to sign out to come in any hour before 1 a.m. The change was made to limit the confusion in signing out and to avoid mistakes drawing penalties.

Miss Friedberg said. The third change states that women students may now wear bermuda shorts on the University golf course. However, students still may not wear bermudas in administrative offices or in residence hall lounges or dining halls. This change is the only one in effect now.

The other changes in the rules were wording clarifications to two regulations and do not change their meaning, according to Miss Friedberg.
