

Panhel Sets Dates For Fall Rushing

The Panhellenic Council unanimously approved the dates for an early informal rushing next semester at last night's meeting.

Informal rushing will be held from Oct. 7 to Nov. 1. Previously, Barbara Rilling, Panhel rush chairman, had presented the tentative dates of Nov. 4 to Nov. 26.

Fall Semester Mixer Date Set By LA Council

The Liberal Arts Student Council has approved the holding of a mixer for Liberal Arts freshmen and transfer students during the first week of fall semester classes.

The Orientation Week program will include counseling of freshmen from 3 to 5 p.m. Sept. 8 to 1 and 3 p.m. Sept. 10.

Robert Nurock, council president, will address the freshmen at 8 p.m. Tuesday in Schawb Auditorium.

Coed council members who will aid in the program will be allowed to live in the residence halls during Orientation Week. They will be given \$2.50 per day for food expenses.

The council also approved the appointment of two committees.

Richard Friedman, Robert Franklin, Barbara Stone, Joyce Basch, and Leonard Julius were appointed to the constitutional revision committee.

David Epstein, Louis Phillips, Lawrence Brody, Barbara Martino and Judith Stock were appointed to the Evaluation Committee.

The purpose of this committee, headed by Patricia O'Neill, sophomore in journalism from Staten Island, N.Y., is to compose a reading list of books compiled from

A mass meeting for those interested in rushing will be held at 2 p.m. Sept. 28 in 121 Sparks. Open houses will be held from 1:30 p.m. to 5 p.m. Sept. 29. Registration will be held on Sept. 30 to Oct. 3.

Invitation Form Passed
Panhel also passed motions on the delivery, return and appearance of the invitations to be issued to the rushees.

Under the new rulings, invitations will be slipped under the rushee's door. The rushee will check, accept, regret or decline and will bring the invitation to the desk of the dormitory in which the sorority is located.

Panhel will issue a standard invitation on which the sorority will write its name and the times for visiting.

Scholarships Announced
Grace Antes, president of Panhel, announced the winners of the two \$87.50 Panhel scholarships. They are Catherine Klepper, sophomore in education from Muncy and Barbara Simon, sophomore in education from Douglassville. Miss Antes read the letters that the two women sent to Panhel, expressing their appreciation for the scholarships.

Three sororities contributed a total of \$95 to the Hungarian Fund. They are Sigma Delta Tau, Beta Sigma Omicron and Sigma Sigma Sigma. Delta Delta Delta sorority was thanked for its earlier contribution.

Not Only Finals, But Froth Too

Final exam time isn't bad enough—Froth is coming out today too.

Advance publicity promises "laughs, lust and pinnings," as well as as six top coeds from other schools. All this and humor (?) for only 25 cents.

For the ever-hopefuls who expect Froth to live up to its title of "campus humor magazine," copies may be purchased at the Mall bulletin board, the Hetzel Union desk, West Dorms and the Corner.

Council Urges Ed Association For Campus

The Education Student Council last night recommended the Eastern States Association for Professional Schools for Teachers be established on campus.

The association would exchange ideas, especially for student teachers, at an annual convention in New York City and through correspondence.

Frances Griffin, sophomore from Waverly, said the association consists mainly of teachers colleges in the East and its establishment was recommended by John R. Rackley, dean of the College.

Two suggestions were made, but were not acted upon. An Orientation program was suggested for new students. A coffee hour would be planned and council members would be responsible for guidance of individual groups of new students.

A plan was also discussed whereby Council would take a few minutes from television classes of Education 1 to tell students of the activities of the Council.

Heather Davidheiser, sophomore from Pottstown, was named editor-in-chief of Monitor.

Schilling Stresses Academic 'Passion'

Harold K. Schilling, dean of the Graduate School, said last night the University will become a university in fact, as well as in name, when it is dominated by a passion for high-level and productive scholarship.

In a speech before Phi Kappa Phi, national honor society, Schilling said that Penn State is not yet a true university and that, in his opinion only a few institutions in the world are worthy of the name university in the loftiest sense.

He said the University should be a "community of men and women who fully realize that the human mind has intellectual appetites which must be satisfied in order to stay alive" and "a place of refuge for the scholar who wants to be free to follow his own imagination."

Schilling also stated that in order for Penn State to become a true university it must become an institution whose educational practices are dominated by the same ideals that dominate its quest for truth and insight.

He went on to state that his concept of liberal education refers to the type of experience education affords students and faculty. Liberal education is not synonymous with survey courses and general education, and the humanities, per se, are no more liberal than technologies.

Schilling said an education is liberal when it is liberating and frees the human spirit to soar imaginatively throughout all the aspects and realms of reality.

The Dean also stated that he felt a land-grant university has potentially more resources for liberal education because it can offer more opportunities.

He said that many changes have taken place at the University in the last decade because of "the self-analysis we have undertaken as part of our self-evaluation as a member of the Middle States Association which has revealed new
