

# Walker To Confer 2300 Degrees June 8

President Eric A. Walker will confer degrees on approximately 2300 members of the Class of 1957 at commencement exercises scheduled to begin at 10:30 a.m. June 8 at Beaver Field.

Dr. Detlev W. Bronk, president of the Rockefeller Institute, will deliver the main address.

In case of inclement weather the class will be graduated in two ceremonies at 10:30

a.m. and 2 p.m. in Recreation Hall. An announcement regarding this will be made at 8 p.m. over radio station WMAJ.

The first ceremony will be for the College of Agriculture, Chemistry and Physics, Engineering and Architecture and Mineral Industries; the second for the Colleges of Business Administration, Education, Home Economics, Liberal Arts and Physical Education.

### Dean to Present Diplomas

Arrangements have been made so that each graduate will receive his diploma from the dean of his college following the Beaver Field exercises. Last year was the first time in about 25 years that diplomas were given out individually at a June graduation.

If the ceremony is held on Beaver Field, seniors may have as many guests as they desire. No tickets will be required.

Three tickets for Rec Hall ceremonies will be given each senior when he obtains his cap and gown June 6 through 8 at the Athletic Store.

Admission by ticket will be only until 10 minutes before the time of the ceremony, when latecomers will be seated to the limit of seating capacity. Extra tickets will not be available.

In case the ceremonies are held indoors diplomas will not be given individually, but will be picked up by the graduates after each ceremony at the Registrar's Office in Willard Hall.

### Programs Combined

Baccalaureate-Class Night will be held the night before commencement, June 7 at 7:30 p.m. in Schwab Auditorium. The two programs have been combined to "incorporate the best elements of both and to leave out objectional parts of class night," Joseph Hartnett, class president, explained.

President Walker will preside over the ceremonies. The principle speaker will be William Muehl, professor of practical theology in the Divinity School in Yale University. His topic will be "The Paralyzing Ideal."

The presentation of \$10,000 class gift of funds for a book collection for the Fred Lewis Pattee Library and the introduction of senior honor men and women will also be on the program.

Free tickets for the program will be available for seniors and their guests starting today at the Hetzel Union desk.

Robert W. Adams, junior in business administration from Johnstown, has replaced Plaut as manager of the men's debate team. Plaut has served in that position for two years.

# Address Search Causes Accident

Looking for a house number on College Ave. can cause an automobile accident.

Police said Richard Schmoyer, sophomore in electrical engineering from Macungie, was driving down College Ave. doing just that when his auto struck another car operated by Richard Rosica, sophomore in electrical engineering from Beaver.

No one was hurt. Police estimated damage to the Rosica car at \$300 and to the Schmoyer auto at \$200. Schmoyer was charged with making an improper turn.

# Walker To Be Initiated By APhiO

The initiation ceremony is being held in conjunction with APhiO's 25th anniversary program, marking the founding of the Alpha Beta chapter of the fraternity in 1932 with a charter membership of 32.

Dr. Walker was chosen to be initiated as the 28 members of the spring pledge class of the fraternity were named in his honor. Each semester's class in APhiO is pledged in the name of an outstanding man.

Immediately following the initiation ceremony, Dr. Walker and H. Norton Cope, professor of forestry and advisor of APhiO, will address the group.

# Cabinet Gives Final OK To \$434 Outlay to Send Four to NSA Conclave

All-University Cabinet last night approved, for the second and final time, an outlay of \$434 to send four delegates to the National Student Association convention in August.

The vote was 12 to 11 with one abstention.

The four delegates named are Thomas Hollander, senior class president, and Robert Nurock, Liberal Arts Council

president, as representatives of Cabinet; Edwin Henrie, NSA coordinator, and David Allison, sophomore in hotel administration from Pittsburgh, who is working with Henrie on NSA.

### Opposing Views Voiced

The only opposing discussion on the motion came from Edward Dubbs, editor of The Daily Collegian, who said he did not see where NSA would prove valuable. He stated that \$1242 was spent on NSA last year and he could not see what good was derived from it.

Dubbs said he felt there are adequate existing means for University students to inform themselves on national and international happenings.

Cabinet also unanimously accepted the recommendations of Robert Nurock, Cabinet Meeting Place Committee chairman, that Cabinet hold several meetings in 121 Sparks and the Boucke Building, providing the floor plan of the latter is conducive to Cabinet's present table arrangement.

### Appointments Approved

Cabinet also approved the following appointments by Robert Steele, All-University president: Richard Moon, Tribunal chairman and Jack Halpern, secretary.

Ralph Swank, Barbara Martino, and Ann Nitrauer, Senate Subcommittee on Academic Honesty; Richard Friedman and Barbara Bixler, Senate Subcommittee on Organization Control; Alvin Clemens and Sandra Shogren, Senate Subcommittee on Student Relations; Alton Kendall, Cultural Aspects Committee; John Yeosock, chairman of the Joint Committee on Town Affairs.
