The Women's Student Government Association is the governing body which forms, interprets and enforces the rules and regulations for women students at the University.

The organizations of WSGA has been patterned after the Federal government. It consists of a Senate, House of Representatives, Freshman Council, Judicial and Freshman Regulations Board.

Will End Tonight Glee Club Tryouts

Tryouts for the Men's Glee Club will end at 9 tonight in 200 Carnegie.

Auditions have been conducted every night this week from 7 to 9 p.m. in 200 Carnegie.

Frank Gullo, director of the Men's Glee Club, said that all types of voices are needed, especially high tenors.

Suzanne Smith, president, presides over the Senate, highest governing body of WSGA. She also acts as an ex-officio member of all WSGA committees and governing bodies, and represents WSGA on the All-University Cabinet, the highest student government body.

Retreat Chairman
The Senate is composed of the WSGA president; vice president Lois Henderson; secretary Suzanne Aikens; treasurer, Nancy Clark; seven senators, ex-officio members, representatives of Leonides, independent women's governing body; Women's Recreation Association and Panhellenic Council, sorority women's governing body.

The senior senator is chairman of the WSGA Retreat and chairman of the junior-senior-faculty reception.

The junior senators are responsible for the WSGA convocation and speaker.

The sophomore senator is in charge of the Freshman Council, a body similar to the House of Representatives. The presidents and vice presidents of the freshman dormitory units represent the freshman women on the council. The council confines itself to problems of freshman women.

Discussions of suggestions and complaints brought up in the unit meetings are aired by the House and recommended recommendations are carried to the Senate and back to unit meetings.

The House also conducts the May Day celebrations and sponsors a clothing drive for overseas distribution.

Judicial Board
Judicial, which is the upper-classwomen judiciary board, handles violations of WSGA regulations for disciplinary action.

Freshman Regulations Board acts as the enforcement body for freshman regulations and rules.

Nominees for WSGA offices are selected from a list of self-nominated students who do not have a major judicial record and do have at least a 2.5 All-University average. Those eligible are determined by a screening board on the basis of scholarship and leadership.

All women students may vote for Senate officers and their class representatives in the primary and final elections in the spring.

Rural Students' Grades Superior to Urbanites'

A survey taken in 1930 by Alexander W. Stewart, a University graduate student, indicated that the grades of students from rural areas were superior to the grades of students from cities.

The survey showed that rural students finished the semester with an average 1.28 All-University average, and urban students with a 1.25 All-University average.

Players, Thespians Offer Talent Outlet

Students enthralled with the smell of grease paint and the glittering applause of a satisfied audience can find an outlet for their talents with the Penn State Players and Thespians.

These, the two main dramatic organizations at the University, provide experience for students in theatre arts and fun for all students interested in the stage.

Players presents a varied schedule of comedies, modern plays, tragedies, classics and dramas.

Thespians, the musical comedy group, each year produces one Broadway musical comedy and one original show, written and staged entirely by students.

Showed 'Guys and Dolls'
Composed of students from many curriculums, Thespians last year presented "Guys and Dolls," from the Broadway show, and "Hat in the Ring."

This year an original parody on the expansion program at the University will open October 17 and will continue through October 19 at Schwab Auditorium.

Tryouts for the show will be held from 7 to 9:30 p.m. Sunday, Monday and Tuesday in 100 Carnegie. Thespians has issued a call for dancers, singers, actors, piano players, musicians, stage crews and specialty acts. First-semester women are not eligible for participation.

Use Point System
Membership in Thespians is based on a point system of nine for participation in productions with the approval of the officers of the club.

An acting lead may be awarded as many as four points; three

points are given for crew work.

Officers are Stuart Kahan, president; Phyllis Rubinstein, vice president; Barbara Kinnier, secretary; Samuel Glick, treasurer, and James Jimirro, member-at-large.

The first Players production this semester will be "Thieves Carnival" scheduled to open Oct. 18 at Center Stage and run for six weekends.

To Present 'Mutiny'
Other Players presentations this year will include "The Caine Mutiny Court Martial," "Burning Bright," "Tonight at 8:30," "Ring 'Round the Moon," "The Merchant of Venice" and an as yet undesignated musical.

Tryouts are held before each production. All students, except first-semester women, are eligible to tryout for acting parts and membership on technical crews.

Membership in Players is awarded on the basis of 15 points given for acting, crew work and advertising. One to four points are given for each production.

Officers of Players are Bruce Taylor, president; Jon Barry Wilder, vice president; Patricia Paladino, corresponding secretary; Helen Cummings, recording secretary; and James Chappel, treasurer.
