

Nittany Booters Search For Another Fullback

By LOU PRATO

Finding another fullback to team with captain Ralph Brower is the number one problem of soccer coach Ken Hosterman at the present time.

"If we can find another fullback," Hosterman said, "we'd be set. The loss of Dave Davis and Bob Rosenberger left a big hole."

Davis, the first team man last season graduated, and Rosenberger, a highly-thought-of sophomore in 1956, dropped out of school.

Since the soccermen initiated pre-season drills a week ago, Hosterman has been working four men in that valuable slot.

Included among the quartet are junior letterman Paul Bauer, a two-sport athlete who showed his credentials as a sub halfback last fall, and junior Tony Tremonte, a reserve fullback in 1956.

"We may get one of those boys established at full," Hosterman said.

Junior Dick America and sophomore Jim Knipe are the other current fullback candidates. America was ineligible last season while Knipe was a starter at right fullback on the unbeaten frosh eleven.

"I'm still looking for Howie Maierhofer," Hosterman said. "He had to work last week but he'll report Wednesday. I'll probably work him into the lineup then."

Maierhofer, a junior, sat out the 1956 campaign after his transfer from Buffalo University.

Outside of the fullback situation, Hosterman's other main difficulty is shaping the 40-plus forwards into condition.

Says the Lion soccer foreman, "Conditioning is a big target. Some of the boys are in pretty good shape while others are not. But they're coming along."

Hosterman held a mixed scrimmage Saturday afternoon, splitting the teams up with lettermen on each side.

"They (the team) looked pretty good for this time of the year," Hosterman quipped, "but there is still a need for improvement."

"One thing though," Hosterman went on, "there is no lack

... he needs help

of hustle with this squad. They are really scrapping for those positions.

"As far as I'm concerned right now, all positions are open. There is no format. Some of those veterans may find themselves out of a job if they don't hustle."

Frosh Soccer Candidates

All freshmen interested in trying out for the freshman soccer team should pick up physical examination cards from varsity coach Ken Hosterman or frosh mentor Walter Wiegand any time today in 202 Rec Hall.

Mentors Call X-Country Candidates

WANTED: Students to run freshman or varsity cross-country. Candidates should report as soon as possible to Chick Werner, varsity coach, or Norm Gordon, freshman coach, between 4 and 5 p.m. on the golf course. No experience necessary.

This classified ad never appeared in The Daily Collegian, but it expresses Werner and Gordon's feelings toward students who have the desire to run, but have little or no experience.

Some of Penn State's most successful runners never competed in cross-country or track before coming to the University.

Curt Stone, 1946 Nittany cross-country captain, couldn't break five minutes in the mile in high school. Yet later, he ran for the United States in the 5000 and 10,000-meter runs in the Olympic Games at London, Helsinki and Melbourne.

The three Ashenfelter brothers Horace, Bill and Don—had never run track or cross-country before coming to Penn State.

Horace, 1948 cross-country and 1949 track captain, competed on the last two Olympic teams and won a gold medal in the 3000-meter steeplechase in the 1952 games at Helsinki. Brother Bill, the 1951 Lion track captain, also competed in the same event in the 1952 Olympics.

More recent examples of successful runners who had no experience before coming to Penn State are Bruce Austin, holder of the University 440-yard dash record and Dick Englebrink, last year's freshman cross-country and track captain and holder of the freshman records in the mile and half-mile runs.

Army-Tulane Change

NEW ORLEANS, Sept. 16 (AP)—The Army-Tulane University football game, originally scheduled for New Orleans, will be played in West Point because of Louisiana segregation laws.

PENN STATE'S NEW 37 passenger Flexibus stands proudly decked out in its blue and white colors. Although the vehicle will be used primarily for athletic team transportation, the bus will see use as a general means of transportation for University purposes.

Cross-Country Manager

James L. Schry, of Johnstown, has been named to succeed Frank T. McFaden, Jr., Gladwyne, as manager of the Penn State cross-country team. Named to assist Schry in 1957 were Thomas J. Fitzpatrick, Jr., York; and Gary H. Stultz, Erie.

Posthumous Award

A posthumous award, the first of its kind in Penn State basketball history, was voted Carmen Palmiero by the Lion team of 1957. Palmiero, sophomore star, was killed in an automobile accident while enroute to his home for the Christmas holiday.
