

# 13 Named to Lion Party Posts; 130 Register for Campus Party

Thirteen Lion party members were appointed to manager and coordinator posts Sunday night by clique chairman William O'Neill.

One hundred students registered as party members at the meeting.

It was reported Lion party's balance from last semester is \$15.96.

Persons appointed are:

William Bromley, campaign manager; David West, financial manager; Arthur Bell, fraternity co-ordinator; Theodore Wells, publicity manager; John Gingrich, downtown publicity manager; Marjorie Pharr, women's co-ordinator.

John Fenimore, West Halls co-ordinator; Ann Pennell, Thompson co-ordinator; Charles Berger and Chris Englund, Atherton; Nancy Kress, McElwain; and Linda Goldman, new women's dormitories.

Additional appointments will be announced at the next clique meeting, Oct. 6, O'Neill said.

No clique meeting will be held Sunday. The tentative schedule includes registration, Oct. 6; preliminary nominations of candidates and election of class clique officers, Oct. 13; final nominations and election of candidates, Oct. 20.

Peter Fishburn, chairman of the All-University Elections Committee, said party cards will be handed out at the meeting when clique officers are elected. The cards will be required for admission to the following clique meeting, when nominations for freshman and sophomore class officers will be held.

More than 130 Campus party members, who registered at the party's first meeting Sunday night, in a "straw vote" unanimously endorsed a Student Encampment resolution proposing elimination of the practice of requiring candidates for office to pay their own campaign fees.

Herbert Levin, Campus party clique chairman, said he believes the practice an unfair one, because otherwise qualified and capable students may be held back for purely financial reasons.

Levin also said two clique offices—executive secretary and corresponding secretary—in addition to freshman and sophomore clique officers will be elected at subsequent meetings.

The former executive secretary, Valentina Kopach, was married this summer and did not return to the University. Her post will be filled Oct. 6 by the party's steering committee.

The corresponding secretary post, which was not filled last year, and the freshman and sophomore clique officers will be filled at the Oct. 13 meeting.

Peter Fishburn, All-University Elections Committee chairman, said students must have registered at Sunday's meeting or the Oct. 6 meeting to be able to vote Oct. 13.

A new steering committee will be appointed before the next meeting, Levin said. The members will be chosen from persons who have filed applications for committee work.
