Hoffa Foes Blast Pressure Tactics

MIAMI BEACH, Fla., Sept. 30 (AP)—James R. Hoffa's political foes complained of pressure tactics tonight at the Teamsters convention and lost an attempt to get AFL-CIO President George Meany to address the delegates.

These developments came as 68-year-old John F. English, the Teamsters' secretary-treasurer and money caretaker, blasted retiring President Dave Beck and other fellow Teamsters chiefs in a convention speech.

Hoffa, Detroit union vice President, the leading contender for Beck's job although enmeshed in the union's scandals, appeared well in command of convention machinery as sessions got underway at the oceanfront Municipal Auditorium.

English, a veteran of 46 years in the union, said he'd spent the hardest five years of his life during Beck's leadership of the union trying to keep track of union funds.

Shifts to Be Discussed At Major Loop Meetings

NEW YORK, Sept. 30 (AP)—Franchise shifts are expected to be discussed tomorrow when the two major leagues meet separately and in joint session at the Commodore Hotel.

Walter O'Malley, Dodger president, is to make a formal report on negotiations to move the Brooklyn franchise to Los Angeles. The New York Giants already have made known their intentions to move to San Francisco.

WATCH YOUR TALK!

A noted publisher in Chicago reports there is a simple technique of everyday conversation which can pay you real dividends in both social and business advancement and works like magic to give you added poise, self confidence and greater popularity.

According to this publisher, many people do not realize how much they could influence others simply by what they say and how they say it. Whether in business, at social functions, or even in casual conversations with new acquaintances, there are ways in which you can make a good impression every time you talk.

To acquaint the readers of this paper with the easy-to-follow rules for developing skill in everyday conversation, the publishers have printed full details of their interesting self-training method in a 24-page booklet, "Adventures in Conversation," which will be mailed free to anyone who requests it. No obligation. Simply send your request to: Conversation Studies, 835 Diversey Parkway, Dept. 3757, Chicago 14, Ill. A postcard will do.

Chief Justice Agrees To Consider Request Delaying Union Vote

WASHINGTON, Sept. 30 (AP)—Chief Justice Warren agreed today to consider a plea for a Supreme Court order preventing the Teamsters Union from electing national officers this week.

The eleventh-hour appeal was made by 13 rank-and-file members of the union fighting what they call a "dictatorship" in their organization.

There is a possibility that the chief justice will rule in the case tomorrow.

The thirteen asked for reinstatement of a temporary injunction issued here Saturday by U.S. Dist. Judge F. Dickinson Letts.

Judge Letts' order would have barred the million member union from picking a new slate of officers at its Miami Beach convention on the ground, among others, that the election was rigged in favor of James R. Hoffa, who aspires to be president.

President Ends Vacation

WASHINGTON, Sept. 30 (AP)—President Eisenhower ended his 27-day New England vacation today and returned to Washington to cope further with school integration questions.

His first major item was a conference on the problem at the White House tomorrow with a committee of Southern governors.

Florida Dam Bursts; Highway Inundated

TALLAHASSEE, Fla., Sept. 30 (AP)—Floodwaters from the Ocklocknee River tore a gaping hole through the earthen part of a power dam today and swept across a state highway.

The highway patrol had sent word to the governor's office shortly before noon that two persons were reported killed but early tonight Sheriff W. P. Joyce radioed in from the scene that no lives were lost.
