

Gillespie Will Play At Jazz Concert

Famed musician Dizzy Gillespie, known to jazz lovers everywhere for his wit and unusual style of trumpet playing, will present a concert 2:30 p.m. Sunday in Recreation Hall.

The concert by Gillespie and his new 18-piece band will be sponsored by the Jazz Club as their first major event of the year. Sonny Stitt, tenor saxophonist, will accompany Gillespie.

Tickets for the concert are available at the Hetzel Union desk and the Music Room for \$1.50.

Gillespie is touring the country following his return last year from an overseas circuit of Europe and the Middle East. That tour, sponsored by the State Department, was praised by representatives of the United States and foreign governments for helping create friendship for this country abroad.

Gillespie, who was born in 1917 in Sheraw, S.C., was taught at an early age by his father to play several musical instruments. He began playing the trumpet when he was 10.

He has been associated with such bandleaders as Duke Ellington, Charlie Barnet, Calvin Jackson and Coleman Hawkins. In the early 1940's Gillespie and Bud Johnson, a tenor saxophonist, formed their own band and played in a New York nightclub, "The Onyx."

In 1945 Gillespie began touring the country with his first big band and his fame spread from the world of jazz to the general public.

He visited Europe for the first time in 1952-53 with a quintet and was an immediate sensation with continental jazz lovers.

50 Hear ICCB Explain Plan For DOC Group

Fifty students in the Division of Counseling attended a meeting held by Inter-College Council Board last night to explain the structure of the proposed DOC student council.

ICCB president James Stratton called the turnout "very disappointing." He said the student council will benefit the students in DOC and it would have been to their advantage to attend the organizational meeting.

Dr. Robert G. Bernreuter, director of the Division of Counseling, told the students he favors setting up the council. He said the DOC will contact its students by letter and urge them to nominate themselves for council seats and vote in the elections.

Sheets for self nomination will be available Friday through Oct. 18 at the Hetzel Union desk and at the DOC office in 110 Old Main. Students on academic probation may not run for the council, Stratton said.

Elections will be held Oct. 30 and 31 at a booth in the HUB. Twenty students will be chosen for council posts.
