

Bums Confirm Move to L.A.

NEW YORK, Oct. 8 (AP)—The Brooklyn Dodgers finally made their long-awaited move today. They definitely are going to Los Angeles in 1958.

The official announcement, made at a press conference by public relations director Arthur "Red" Patterson, was so

anti-climactic that Walter O'Malley, the club president, didn't bother to attend. He was attending a stockholder's meeting in Brooklyn.

Patterson's announcement said simply that in view of the action of the Los Angeles City Council yesterday, the Dodger stockholders had unanimously agreed to take the necessary steps toward drafting the Los Angeles territory from the Pacific Coast League.

The City Council endorsed, by a 10-4 vote, the proposed contract between the city and the National League club which would give O'Malley the 300-acre Chavez Ravine site for a ball park in exchange for Brooklyn-owned Wrigley Field in Los Angeles.

California is assured of two National League teams for next year and New York will have none. The New York Giants committed themselves last Aug. 19 to move to San Francisco next season.

In Los Angeles, Mayor Norris Poulson hailed the coming of the Dodgers and Giants as a tremendous boost to California's economy and its position in the sports world.

"The Dodgers have played their last game in Brooklyn," he proclaimed. "We have taken out of the biggest city in the nation two of its most coveted institutions.

"I have every reason to believe that the Los Angeles Dodgers— or Angels—will set new attendance records, once we get the new baseball stadium that Mr. O'Mal-

Walt Alston ... will he go too?

ley plans to build here. With the support that the team is certain to get, it ought to be a cinch to grab the National League pennant next year."

New York City Mayor Robert Wagner vowed to get to work immediately toward getting another National League club for New York.

Asked if the city would give serious consideration to building a Municipal Stadium in Flushing Meadows, Queens, the site rejected by O'Malley, as an inducement to attract another baseball team, the mayor replied: "Naturally, they have got to have a place to play."

Hosterman Continues to Stress Teamwork in Soccer Drills

Teamwork, always a slight problem to soccer Coach Ken Hosterman, will continue to be stressed in practice sessions this week—even though it has been teamwork which has led directly to two straight wins for the Lion booters.

"We always have to work on team play," Hosterman said yesterday. "You can never overemphasize that. We have to continue working on teamwork all through the season.

"Look how it helped us against Maryland. We weren't working together in the first half but in the third quarter we had a lot more team play. And I think that third quarter was the whole story in our victory. We passed better, and moved the ball quicker in that quarter."

Hosterman said he would also drill his lads this week on improving their individual techniques.

"Most of them still need to be reminded of their trapping, kicking, body faking and passing. But don't take me wrong. Don't think I'm not pleased with the boys' work so far."

Commenting further on the 2-1 conquest over Maryland last Saturday morning, Hosterman said, "Maryland was a hustling ball club. They really surprised me. I knew they would be tough but I didn't expect them to be as tough as they were.

"But without that goalie, I think we would have had a four or five point margin. He really made some fine stops. That one Torgy (Per Torgeson) hit from 18 yards out on a direct kick was really something."

Hosterman sent the unbeaten gladiators through a light workout Monday evening but increased

the tempo of practice last night with a fast, hard scrimmage.

"We'll have an off-day Wednesday," Hosterman said. "They can rest and relax for Syracuse. I don't want to overwork them. I like to have my team sharp for a Saturday game and not for the middle of the week. That's why I don't like to push them too hard."

'57 Band Day To Reach Peak Of 60 Groups

Some 60 high school bands will perform at half-time of the William and Mary football game Saturday as Penn State again hosts the musicians at Beaver Field.

Band Day, first attempted on a small scale in 1950 and steadily expanded in the years since, now attracts nearly 5000 musicians, drum majors and majorettes, and color guards.

This is the eighth year for the now-traditional event, and the 60 bands represent the maximum that can be accommodated on the field and in the stands.

Each year, an effort is made to bring in at least a few new bands. Those on hand for the first time Saturday will be Central Dauphin, Jersey Shore, Meyersdale, Southern Lehigh, Tuscarora Valley, and West York.

Indie Champs Score Grid Win

By LES POWELL

The Timmites, defending independent touch football champions, continued their winning ways with a 21-0 decision over the Penn Haven Club last night on the University golf course.

Tau Phi Delta romped in the second half to blank Beta Sigma Rho, 28-0; the Shieks defeated the Yellow Jackets, 24-7; the Daddy-O's shut out the McElwain Men, 7-0; the McKee Rockets won 1-0 over Hamilton 4; Nittany 29 edged Nittany 24, 7-6; McKee 2 beat Hamilton 7, 1-0; Sigma Pi whitewashed Phi Kappa Tau, 6-0; Phi Mu Delta defeated Kappa Sigma by forfeit.

Ron Rainey's pinpoint passing sparked the Pi Kappa Phi grid crew to a decisive 26-6 triumph over Alpha Epsilon Pi; a first down edge gave Delta Theta Sigma a 1-0 win over Lambda Chi Alpha, and Delta Sigma Phi defeated Phi Kappa, 13-2.

The Timmites, following an interception at the Penn Haven 20-yard line, tallied on a pass from Bob Thomas - to - Darrell Thomas early in the game. Pete Basile's first of three successful conversions gave the Timmites a 7-0 edge.

The Penn Haven defense, led by linebackers Brit Haddock and Al Creighton, kept the Timmites away from paydirt for the rest of the half. The second stanza saw the Timmites break loose for

two touchdowns, on a Basile-Bruce Forbes sleeper play and a 62-yard pass-lateral with Basile scoring the six-pointer.

Penn Haven's best scoring bid, a Creighton kickoff return to the Timmite 20, was halted by the final whistle.

Quarterback Art Ohl got Tau Phi Delt rolling with a 46-yard pass to Whip Browning. Then he flipped 7 yards to Gabe Di Pietro for the contest's first score. The versatile signal-caller added the first of his four PAT's for a 7-0 count.

The triple-threat began his team's second-half uprising with an interception on the Beta Sig 12 and flipped to Browning for the TD.

Ohl again hit Browning with a 12-yard pass for the third Tau Phi Delt tally. Browning threw 30 yards to Dave Forney for the final six-pointer.

The Shieks were paced by John Jacobelli and Gene Bartoo, who accounted for three touchdowns. After a circus catch by Jerry Kummer on the Yellow Jacket one-yard line,

Jacobelli connected with Bartoo in the end zone. A later Jacobelli-Bartoo aerial, covering eight yards, gave the Shieks a 12-0 first half advantage.

A Henry Cook interception set up the third Jacobelli-Bartoo score, while Jacobelli heaved 39 yards to Kummer for the winners' last touchdown.

Dick Greninger saved the Jackets from a shutout with a 50-yard kickoff return in the closing minutes.
