

VanRafelghem Sidelined Cross-Country Meet For Syracuse Encounter Moved Up One Hour

Louie VanRafelghem, one of the five sophomores instrumental in the success of the Lion soccermen thus far, will not be with the booters when they visit Syracuse this weekend.

VanRafelghem, a flashy outside forward from Argentina, joins 1956 regular Mike Stollmeyer on the sidelines. Both are suffering from similar injuries to their left ankles.

Stollmeyer has been out of action since early September, missing both the Bucknell and Maryland tilts. But VanRafelghem's injury is a fresh one.

He was kicked by a Maryland performer in the closing moments of Saturday morning's scrap at Beaver Field and had to be carried off the field on a stretcher. He was taken to the University Hospital but x-rays showed no sign of broken bones.

"Lou's walking around now," soccer boss Ken Hosterman commented yesterday, "but I doubt whether he can kick the ball. He won't be available this week but he might be ready for our next game."

"As for Mike," Hosterman continued, "he says it feels better but he doesn't want to play on it for fear of a re-injury."

"I can't kick at all," the diminutive Stollmeyer said, "and it is still hard to run. I jog around for a couple of steps and my ankle starts aching again."

With VanRafelghem out, Hosterman will have to insert some new blood into the regular forward wall. He has several possibilities.

"I could use Dave Haase or Bruce Walsh at wing," Hosterman said. "Then again, I could shift Ihor (Chyzowych) from his inside post to a wing and put Pete Wadsworth at inside left. I'm not sure what I'll do and I probably won't know until minutes before the game."

Regardless of Hosterman's final decision, no power will be lost on the first team. Haase, a veteran who started several games in 1956, has been Hosterman's top reserve against Bucknell and Maryland, playing at least a half in each encounter.

And Wadsworth proved against Maryland that he is of first team calibre. The sophomore lineman entered the game after the intermission and promptly ignited a Lion rally with a goal. His hustle and drive helped pave the way for the ensuing victory.

Spartans Lead NCAA Rushing

By the Associated Press

Michigan State throws the nation's best rushing offense against Michigan in their traditional battle Saturday which may decide the Big Ten football championship.

Statistics put out by the National Collegiate Athletic Bureau today show that the versatile Spartans have rolled up an average of 348.5 yards a game against their first two foes.

Iowa, the passing team leader and sixth in rushing, leads the nation with an average of 518.5 a game, with Michigan State second with 511.

Theta Delt Stays Unbeaten in IM Grid

TIM MASON, Nittany 22 griddler, grabs a pass in last night's IM football tilt with the Fierce Frosh. Andy Case of the Frosh is the defender. The Frosh won, 13-6.

By NORM LOCKMAN
Theta Delta Chi picked up its third straight victory with a decisive 13-0 win over Pi Kappa Alpha in the Greek round of last night's nine intramural football games. As a result, Theta Delt will meet undefeated Delta Upsilon for the league championship.

In the other games, the Watts Devils beat the Wolves, 7-0; Pollock 9 downed Pollock 11, 7-6; Nittany 31 dumped the Panthers, 20-0; the Fierce-Frosh tripped Nittany 22, 13-6; Nittany 29 thumped Nittany 41, 20-0; the Fortinsky Lions squeaked by Nittany 30, 1-0 with first downs; Phi Sigma Kappa stopped Sigma Alpha Mu, 13-0; and Tau Kappa Epsilon edged Theta Chi, 7-0.

Theta Delta Chi who, after three lean years, have put together a winning combination, scored in the first half on a

pass from Herm Tselepis to John Wagner.

In the second half, one of Wagner's two interceptions set up the final touchdown—a 12-yard button hook play from Tselepis to George Shugarts. Joe Chedder tried both conversions and added the PAT to the second tally.

Of the independent games, the Fierce Frosh's 13-6 upset over Nittany 22, and Watts Devils 7-0 comeback over the Wolves provided the most action.

TKE, in winning against Theta Chi, used Herb Ludwig and Charlie Bibleheimer passing to Dick Jackowsky, Jim Rossi, and Jim Durham to make downfield drives. Rossi intercepted two Theta Chi passes in a fast exchange of ball possession, and in four plays Bibleheimer hit Dick Jacobs in the end zone with a 51-yard aerial. Tom Phillips kicked the extra point.

The varsity and freshman cross-country meets with Cornell, originally scheduled for 1 p.m. Saturday, have been moved up one hour, so as not to conflict with the football game with William and Mary.

The freshman meet will begin at noon, followed immediately by the varsity encounter.

The Cornell varsity is 2-0 for the season with an 18-45 romp over Colgate and a 15-50 shutout over Lemoyne. The Cornell frosh dropped their opener to the Red Raiders, 27-30.

So far, both Lion squads have been fortunate enough to have had no injuries and only one frosh harrier—Ron Genovese—is sidelined with the flu. Genovese was discharged from the University Health Center yesterday and may see action against Cornell.

Michigan State's defending NCAA championship cross-country team has not been so lucky. With 14 members of its varsity and freshman squads sidelined with flu and injuries, the Spartan varsity dropped their opener to Western Michigan, 27-36—their first defeat since 1955.

The Lions meet Michigan State Oct. 26 at East Lansing, Mich.

Pitt—the Nittany harriers' opponents on Nov. 2—opened the season with an easy 21-39 victory over Westminster.

IM Swim Entries Due by Wednesday

Entries for the Intramural swimming tournament are due by 4:30 p.m. next Wednesday in the IM office.

A meet will consist of the following five events: 60-yard free style, 60-yard back stroke, 60-yard breast stroke (butterfly permitted), 120-yard relay and diving (front dive, back dive, and optional).

A team may enter two men in each event, but only one relay team.

Manhattan—the Lions' foe in the last dual meet of the season, Nov. 9 at New York City—romped over Dartmouth, 15-50, and Army, 16-46, in its first two meets this fall.
