Everyone enjoys the difference in Breyers Butter Pecan Ice Cream!

You'll enjoy it, too! For Breyers put *more pecans in it*... big, meaty halves of pecans that are specially dry-roasted, drenched in creamery-fresh butter, and lightly salted... *while they're still hot!* Then they're put in the smoothest ice cream you'll ever put a spoon to... *ice cream with a difference!*

For a wonderful do-it-yourself nut sundae, pour on chocolate syrup!
