

INDIE QUEEN—Jane Raezer receives a gold trophy from John Morgan, AIM president, after winning the Indie Sweetheart Queen title.

## Raezer Wins Title Of Indie Sweetheart

A generous share of beauty and charm last night won Jane Raezer, freshman in liberal arts from Rosemont, the Indie Sweetheart Queen title.

Miss Raezer, wearing an olive-green dress with a softly draped skirt and black leather heels, was presented a gold trophy and a \$15 gift certificate by John Morgan, president of the Association of Independent Men.

Miss Raezer was one of five finalists to contend for the award. Other finalists included Betty Kohudic, Joyce Pattison, Elaine Zeller and Maryiyl Siefert.

The presentation took place at the Indies' Halloween dance in the Hetzel Union ballroom.

Miss Raezer was graduated from Radnor High School in 1957.

While at Radnor, she was a member of the dramatic club, reading club and student council.

She also was a member of the hockey and lacrosse teams.

Upon graduating from high school, Miss Raezer was awarded \$100 from the Parent-Teachers Association.

At the University, she is majoring in sociology.

Miss Raezer said she is interested in social work. "I would like to work with and assist un-

derprivileged children," she said. An estimated crowd of 300 were present to see Miss Raezer receive her title.

Indie Week continues its 6-day program tomorrow with a game night beginning at 7 p.m. on the ground floor of the HUB.

The activities for the night include three tournaments: bridge, table tennis and shuffleboard.

Prizes will be awarded to the winner of each event.

### Transportation Group To Sponsor Field Trip

Delta Nu Alpha, national professional transportation fraternity, will sponsor a field trip tomorrow to the Eastern Motor Carriers Exchange Terminal, a truck line in Bedford.

Cars will leave at noon from the Hetzel Union parking lot.

## Cabinet to Air Vote-Docking Return

All-University Cabinet will be asked tonight to return vote-docking regulations for the fall elections.

Cabinet last spring tabled the vote-docking article in the All-University Elections Code. The article, dealing with penalization for code violations, was referred to Elections Committee for study.

As Elections Committee has made no report to Cabinet concerning the article, the Cabinet executive committee will recommend tonight that the article be effective for the fall class officer elections.

As the code stands, no provisions are included for penalizations.

Discussion on the article, which would allow unlimited

docking of votes by Elections Committee, was prompted last spring at Cabinet when the article was introduced in revisions to the code.

Previously Elections Committee had limited docking powers from 10 to 100 votes.

The proposed revision was tabled and referred to the committee because it was questioned whether Elections Committee should have the power to penalize so extensively.

Cabinet also will hear a report from Ronald Ross, public relations director, on the Cabinet meeting held last week in 121 Sparks.

The report states that the public relations committee does not attribute the lack of turnout at last week's meeting to general attitude toward student government, but to inadequate advertising, weakness of sub-

ject matter, poor meeting time and inclement weather.

Approximately 25 spectators attended the meeting.

Ross will outline advertising plans for future open Cabinet meetings if they are to be held in rooms larger than 203 Hetzel Union.

## Young Republicans Elect Four Officers

Daniel Long, senior in arts and letters from Lebanon, has been elected president of the Young Republicans Club.

Other officers are Lowell Salmon, senior in arts and letters from Waterford, vice president; Marcia Hemming, junior in journalism from New Rochelle, N.Y., secretary, and Arleen Burch, freshman in education, treasurer.
