

Red Troops Purged of Zhukov Aides

LONDON, Nov. 1 (AP)—Reports from Moscow tonight said Soviet armed forces are being purged of powerful friends of ex-Defense Minister Georgi K. Zhukov and the marshal himself is likely to be exiled to a remote military job.

Already, according to reports reaching Belgrade, he has been expelled from all his positions of power—from the top-level party Presidium, the party Central Committee and the Defense Ministry job.

When the Kremlin hierarchy gets around to revealing Zhukov's future and the reasons for his humiliation, other uncensored reports said, it will make him the scapegoat for the Syrian-Turkish brink-of-war scare, a crisis which Soviet party boss Nikita Khrushchev himself stirred up.

Tight Moscow censorship stopped all but the vaguest hints about developments in the Soviet capital and the charges that are likely to be used to explain the hatchet job on Zhukov.

Reports about an army and navy purge and about the probability Zhukov would be sent to some remote spot ranking with Outer Mongolia came from Irving R. Levine, NBC correspondent.

Knowland to Bow To Nixon in 1960

WASHINGTON, Nov. 1 (AP)—Sen. William F. Knowland (R-Calif) will step out of the way of Vice President Richard M. Nixon in the 1960 Republican presidential primaries outside of California, it was reported authoritatively today.

That does not necessarily mean Knowland won't try for the presidential nomination. Presidential primaries do not determine the choice of the national convention, although they can influence that choice.

Meany Pledges Union Clean-up

WASHINGTON, Nov. 1 (AP)—AFL-CIO President George Meany said today labor corruption is more extensive than he had realized but he pledged that the federation will succeed in cleaning it up.

Meany said labor is willing to accept reasonable corrective legislation from Congress but will rally as one man to fight off any move "to fasten antiunion legislation on us in the guise of eliminating corruption."

PRR Studies Merger

NEW YORK, Nov. 1 (AP)—The New York Central and the Pennsylvania railroads announced today they are studying a merger of the two roads into one system.

The two roads are the largest in the country, based on annual revenues, and have combined assets of 5½ billion dollars.

Both the Pennsylvania and the Central traverse heavily populated and industrialized sections of the East and Midwest. Both have experienced sharp declines in earnings this year.

James Symes, president of the Pennsylvania, and Alfred Perlman, president of the New York Central, jointly announced the merger studies.

President to Speak On Major Issues

WASHINGTON, Nov. 1 (AP)—President Dwight D. Eisenhower today chose Nov. 13 and Oklahoma City as the time and place for the first of a series of confidence-boosting speeches to the people. The speech, beginning at 10:30 p.m. EST that Wednesday night and running for half an hour, is to be on "Science and Security."
