

### WH Council Urges Voting

The West Halls Council last night initiated a project designed to encourage freshmen and sophomores to vote in their class elections next Wednesday and Thursday.

Council members said they believe it is the duty of each student to vote for his class officers. The project was referred to the project committee.

Council President Carl Smith asked the residence halls unit presidents to announce in their meetings that the mail is not all in the boxes by noon because the mail truck is not arriving at the West Halls post office until 11:30 a.m. this year.

The council will investigate the posting of menus in the West Halls units.

David F. Wilkinson, freshman in chemical engineering from Sharon Hill, was appointed acting recreation chairman.
