

Fullback Problem Returns to Hosterman Prato, Carocci Top Poll As Bauer, Tremonte Suffer Injuries

Soccer Coach Ken Hosterman's number one pre-season woe — the fullback post — popped back into the spotlight this week when injuries forced Paul Bauer and Tony Tremonte—two of the Lions' top three fullbacks—to the sidelines.

It was the fullback slot which caused Hosterman the most worries before the season opened but the "arrival" of Bauer and Tremonte had just about solved the problem. The duo shared the left fullback spot on the starting line the Nittanyans an adequate defender, and along with right fullback Ralph Brower, had given five alignment.

But the loss of both men will undoubtedly leave a big gap in the Lions' defensive platoon because Hosterman will now have to plant an inexperienced performer at that valuable de-

fensive post. Tremonte is suffering from the most serious injury of the two, a blood clot in his left leg, and will probably be lost for the remainder of the season. Ironically, the husky fullback was not injured in last Saturday's encounter with Navy. He sustained the injury Sunday night.

Bauer, on the other hand, is nursing a broken nose received against the Middies. It was incurred in the fourth quarter on a vicious high kick by a Navy performer. Bauer will definitely be lost for Friday's duel with Army at West Point but he may return for Saturday's Penn fray.

Hosterman doesn't know as yet who his left fullback replacement will be. "We'll have to work on that in practice," the Lion coach commented.

The most logical choice would probably be junior Marlin Stover. Stover is regarded as the fourth man in the the Lion full-

back clan but his game experience has been limited to practice scrimmages.

However, the Nittany mentor indicated that he might use Ihor Chyzowych at fullback. Chyzowych is a Lion starter, although there is a question as to what position he starts at. The versatile sophomore has been used at wing, inside, halfback and is currently anchoring the line at center forward.

"Ihor has played fullback before on amateur teams," Hosterman said, "and is accustomed to that position." Of course, he said practically the same thing when he placed Chyzowych at the other four posts. Hosterman also said he could use Herb Hertner or Per Torgeson a full if it became necessary. But like Chyzowych, both are starters at other positions: Hertner at right half and Torgeson at inside left.

Stevens Sets Swim Record As DU Wins

Delta Upsilon's Adie Stevens' record-breaking performance in the 60-yard breaststroke high- lighted last night's intramural swimming performances at Glen- land pool.

Stevens broke the record of Rick Rossi by .002. The new mark is :37.5. Rossi established the mark when he swam for the Penquins in 1953.

Delta Upsilon, paced by Stevens, beat Chi Phi, 24-17. The meet was decided by DU's 120- yard relay victory, which was done in 1:00.4. DU's Ogie Norris turned in the best diving performance of the night when he racked up 18 points.

Another meet that was decided on the basis of the relay was Delta Chi's 23-18 victory over Alpha Sigma Phi. Mike Stollmeyer swam the 60-yard free style in :34.4 and Bob Schiffner did the back stroke in :41.7—the best times of the night for these events.

The third meet of the night saw Tau Phi Delta swamp Alpha Phi Delta, 34-5.

PIAA Chapter Will Hold Officials' Clinic Tonight

The Mt. Nittany chapter of the PIAA will hold a basketball officials' clinic beginning at 7:15 to- night at Recreation Hall. The clinic is open to the public.

According to Don Cook, presi- dent of the Mt. Nittany chapter and one of the participating offi- cials, the clinic is designed for coaches, officials and those inter- ested in becoming PIAA officials.

The Penn State basketball team will participate in the clinic as demonstrators and will also run through a practice scrimmage during the instruction on the mechanics of officiating.

Cook said the program is di- vided into four parts: the me- chanics and techniques of offi- ciating which will cover posi- tioning of the officials; a dis- cussion of the 1957 rules and rule changes; instruction for scorers and timers; and a ques- tion-and-answer period.

After the instruction on the me- chanics of officiating on the gym floor, the clinic will adjourn to one of the Rec Hall classrooms where the remainder of the pro- gram will be continued.

Cook asked that people inter- ested in the clinic report directly to the main floor of the Recrea- tion Hall gym in order to facili- tate discussion. He asked those attending not to sit in the balcony.

Cook will be assisted in the program by three other PIAA of- ficials—John Solic, Andy Visnos- ky and Glen Shaffer.

Solic will handle the instruc- tion on the mechanics of offi- ciating with Visnosky and Shaf- fer leading the discussion on the rules and rule changes.

Cook will instruct the scorers and timers while all four will participate in the question-and- answer period.

Cook said the idea for the clinic arose when certain groups on the campus—such as the Student Major Club of the Physical Educa- tion College and the Intramural Department—voiced a desire for one. It is the duty of PIAA chap- ter to promote such clinics, he said.
