# IM Football--

(Continued from page six) came right back with the pass play to tie it at 6-6. Phillips added the coup-de-grace with the winning extra point kick.

The Warriors won the right to try to take the Independent football crown from the all-conquering Timites in a delayed action game. Although scheduled to play at 7 last night, the Nittany 22 adversaries received a two-hour extension from IM grid director Don Watkins. It seems five of the "22" boys had a physics 236 blue-book and couldn't make it.

But the delay was for naught as the Warriors scored a first half TD on a 20-yard heave from captain Arnie Swertloff to Paul Frederick. The Nittanians just couldn't apply their physics lessons and the game wound up as an "excessively hard-fought" contest.
