

# Kasperian Tallies Twice in Win

## Nittany Performance Lethargic in Spots

(Continued from page one)  
 the quarter. Babe Caprara place-kicked the extra point. That score ended the excitement for the rest of the period as both teams fought to a comparative standstill—with the edge, if any, going to Marquette.

The rest of the first quarter and most of the second saw the Hilltoppers make several fiery, but vain attempts to knot the score. Penn State, on the other hand, showed none of the fire so evident in its victory over West Virginia two weekends ago.

The Lions played what could be termed "a-get-tough-inside-the-20" game. Marquette seemed to move with comparative ease between the two 20-yard markers. But, once inside the 20, the Penn State defense proved its true mettle by twice thwarting a Hilltopper score—once on the four on the last play of the first half and again on the four early in the fourth quarter.

Meanwhile, the Nittanies added a second touchdown by moving 32 yards in eight plays following captain and guard Joe Sabol's interception of the Marquette 45. Quarterback Bob Scrabis' 13-yard pass to halfback Eddie Cave scored the tally at 13:39 of the second quarter. Caprara again converted.

Marquette fans, given something to cheer about by the futile Hilltopper scoring drive just before the end of the first half, sat in unbelieving amazement when the Lions came back to score their final touchdown of the game at 0:59 of the third quarter.

After Kasperian returned the kickoff to the Penn State 33, Caprara hit the center for two yards. Then came the clincher play. Lucas hit end Les Walters, who looked every bit the end he is rated to be and a sure all-America contender, with a pass around the Marquette 36 and Walters raced down the sidelines before being forced out of bounds on the four-yard line.

Kasperian ran around right end on the next play for the score. Caprara missed the extra point—it was blocked—but the ballgame was over as far as the outcome went.

Not even halfback Jimmy Webster's one-yard dive over right guard for a touchdown could change the complexion of the game. It came at 14:23 of the fourth period and served only to give the Hilltoppers the consolation of scoring. Ernie Safran converted.

The Marquette dressing room after the game was filled with all the gloom normally expected to accompany a team who had just lost its 18th straight game. All but Druze and his staff were downtrodden after the defeat.

But Druze saw some consolation in the loss. It was definitely Marquette's best ball game of the year and a performance the team should feel happy about, he said. He also said that the Lions were one of the best teams his club had faced all season.

Engle, in his immediate post-game after-thoughts, said that he was satisfied with his team's performance. He said that it was hard for the team to get fired-up over a game with an opponent who had lost 17 straight games.

He also said that, in a way, he was happy that the Lions did not waste a super performance against Marquette. Although he conceded that the Hilltoppers have a strong foundation for future promise, he admitted that

## Minor Loop Realignent To Be Probed

NEW YORK, Nov. 11 (AP) — Commissioner Ford Frick again will wrestle with baseball's realignment problems tomorrow in another meeting with heads of the Pacific Coast League, American Assn and Texas Leagues.

The San Francisco Giants and Los Angeles Dodgers, who brought the problem to a head, also will be represented.

Since the first meeting, both the Texas League and American Assn. have reaffirmed their desire to stand pat.

The Texas League, called hurriedly into session at Dallas by President Dick Butler, again denied Houston and Dallas permission to seek affiliation with leagues of higher classification. They had been turned down for the first time by a 6-2 vote, Oct. 14. Both had indicated they would like to be in the American Assn. or the Pacific Coast League.

Butler reported to the league the various proposals discussed at last week's meeting with Frick. George Trautman, president of the National Assn. minors, and other officials.

Ed Doherty, president of the American Assn., also reported on last week's session at a special meeting of the directors of his league at Chicago. There had been rumors that Denver might shift to the Pacific Coast League, but the American Assn. voted today (Sunday) to operate with the same members in 1958.

Frick's office insisted the matter of paying indemnities to the Coast League by the Giants and Dodgers was not a subject for discussion at the meeting.

## Crusaders Win But Pitt Loses

Penn State's two remaining football opponents were involved in upsets Saturday. Holy Cross upset a past Lion foe, Syracuse, 20-19, while Pitt was surprised by another past Lion foe, West Virginia, 7-6.

The Lions' pass defense will probably be tested Saturday at Worcester, Mass., by Tom Greene, who threw for 285 yards against the Orange. End Art Gob became Pitt's leading scorer when he grabbed an Ivan Tonic toss for the Panthers' lone touchdown. The Lions meet the Panthers Nov. 23 in Pittsburgh.

ON THE WAY DOWN . . . Penn State fullback Maurice Schleicher is about to hit the ground after being tackled by Marquette center Gil Sedor in the first quarter. The play gained

three yards. This was one of Schleicher's short-yardage bursts for the day—he gained 12 yards in four carries.

## Booters' 4-1 Win Over Cadets Called 'Team Victory' by Coach

By LOU PRATO

"It was a real team victory," soccer Coach Ken Hosterman happily remarked following the booters' impressive 4-1 conquest over Army at West Point Friday afternoon. "It looks like the boys have finally found themselves."

With this brief but potent speech, Hosterman wrote finis to his search for teamwork from the Lion soccermen. Since the season opener at Bucknell, Hosterman had been advocating more team play from his men. But until Friday, the Lion booters had shown very little signs of reaching Hosterman's "goal."

"They have a little more confidence in each other's ability now," Hosterman said yesterday. "They weren't too sure of each other before Friday. That was a real team victory. They

went all out for that one." "Of course, there's room for improvement," the Lion tutor continued, "but there's room for improvement in even the best team in the world. I'm very well pleased with the boys."

He had a right to be pleased for the booters played what was probably their best game of the season. They passed, dribbled, tackled, headed and kicked with razor-sharp proficiency and only once did they show any let-up. And that pause proved costly, for Army tallied its lone score on that occasion.

"I couldn't pick out any individual star," Hosterman answered when queried on this subject. "They were all good. I was very well pleased with Mike Stollmeyer. Not as a standout but in his improvement. I think he's almost up to

last year's playing performance."

Last season Stollmeyer, then a sophomore, tied for team scoring honors with Per Torgeson and the graduated Tommy Nute with 13 goals. He has seen limited action this year because of an ankle injury suffered in pre-season drills.

Hosterman also thought Ihor Chyzowych "did a good job considering he had never played fullback for us before." Chyzowych, a 25-year-old sophomore, has been Hosterman's most versatile starter this campaign playing at the wing, inside, center forward, and halfback before his debut Saturday at fullback.

## Indians to Name GM Today

CLEVELAND, Nov. 11 (AP)—Tomorrow the Cleveland Indians are expected to hire a general manager to replace Hank Greenberg, but the Tribe's front office brass won't say in advance who is under consideration.

William R. Daley, board chairman of the baseball club and largest stock holder, said they would meet tomorrow morning. Eleven of the 13 directors, including Greenberg, probably will be there.

As for the general manager post, the club owners have talked with Bill DeWitt of St. Louis, now administrator of a half million dollar fund set up by the major leagues to aid the minors. Both

DeWitt, who has expressed interest in the job, and the Indians' owners have been non-committal about the interviews.

The names of Frank Lane, general manager of the St. Louis Cardinals, and Al Lopez, manager of the Chicago White Sox and for six seasons prior to last season manager of the Tribe, also have bobbed up.

## U-m-m Good...

Crunchy Candy Cane peanut brittle. A delightful combination of butter, honey and jumbo peanuts. (handmade too!) Also...

- Cashew Patties
- Almond Butter Crunch
- Pecan Dates
