Looking at the situation realistically, he said: "We're not even thinking about that (the Bowl)-we're just thinking about trying to beat Pitt."

tude to take. In order to even ered with ankle trouble the past remain in consideration for the three or four weeks. Bowl bid, the Lions must score an impressive victory over the ance against the Crusaders, Panthers. A loss, or even a close Engle said that he was, on the victory, would almost automatically drop the Nittanies from formance. "It was just unforconsideration. It is simply a case of putting the proverbial horse before the cart—and the horse in this case is Pittsburgh.

Pitt, Engle said, is a big, strong, or some aggressive team. "Pitt is a good he said. team; it should have won the Noduring the past two weeks.

Engle said that he expected last week's Pitt layoff to be a big help to the Panthers, espe-cially because of the condition they were in. Several Panthers, among them All-America candidates center Charlie Brueckman and tackle Jim McCusker, were on the shelf with injuries. The layoff may be just what the Panthers needed to recuperate physically.

Lions, however, who came out of Refreshments will be sho the Holy Cross game a bit worse. The club was formed last

For thirty years, Balfours has been dedicated to serving Penn State University students. If your mother and father attended the University, they probably bought their class rings from us. Frankly, we're proud that we've become a Penn State tradition. This is proof of the fact that for thirty years the quality of our rings and other University lewelry has satisfied thousands of students.

If you are eligible to wear this symbol of honor, why don't you come in today and order your ring? While synthetic ruby and blue sapphire are our most popular stones, there are many others from which to choose.

## How to Make Money While Spending It

Does this sound like a paradox to you? (Mr. Webster says a paradox is a statement self-contradictory or false). But there's nothing false about this statement. You actually can make money when you spend it at the Penn State Book Exchange.

There's no complicated formula to follow and no limerick to finish . . . With each purchase at the B-X (conveniently located in the HUB Basement) -you receive a sales slip. At the bottom of each in bold type it says:

> SAVE THIS SLIP \$5.00 worth \$.50

Collecting \$5.00 worth of receipts is no trouble at all because you spend at least \$5.00 on paper, notebooks and pencils during the school year. Bring the slips to the B-X where the student clerk will tally them, ask you to sign one and then hand you \$.50. What could be easier than that.

So you see our paradox really isn't one at all. You can actually make money while spending it at the B-X.
