

# Urban Beats Sullivan in IM's

## Even Ref Takes Right In Slugfest

Jack Urban, Beta Theta Pi, decisioned George Sullivan, Beaver House, in Intramural boxing last night in a slugfest in which even referee Frank Patrick took a right hand to the head.

The fight started quickly, Urban being driven to the canvas by Sullivan in the opening rounds of the first round, and then having to drive out from the ropes under a solid rain of blows from Sullivan. However, Urban's solid punching was enough to turn the tide.

Two fights were stopped early in the second round. Don McElhanev, Sigma Pi, won the fourth bout when Patrick took Dennis Bowen, Kappa Delta Rho out of the fight.

McElhanev had the reach over Bowen and was able to pin him to the ropes twice before the fight was halted.

And Manny Speer, Sigma Pi with a heavy rain of blows to the head, stopped George Hulse, Theta Xi, in the first few seconds of the second round in the final fight of the evening. Speer, who had the reach and was bigger than Hulse, was the aggressor all the way.

The only split decision of the night was won by John Behne, Delta Tau Delta, who beat Gabriel DePietro, Tau Phi Delta. DePietro seemed to have the fight under control in the first round, but in the second Behne drove him to the corner twice, and DePietro had to drive out with lashing rights and lefts.

DePietro ended the round with a solid right to Behne's jaw. In the final round, DePietro, in a crouched defensive position, took a series of uppercuts before clinching it up. The round ended on a cautious note.

Lorenzo Corsi, Alpha Phi Delta, drove through three fast rounds to decision Allen Gordon of Sigma Pi. Gordon had trouble from the beginning and had to drive out of the corner several times under a steady rain of blows from Corsi, the aggressor.

Fred Smyser, Alpha Phi Delta, who was down twice, lost to the more aggressive George Maier, Alpha Chi Sigma. The first knockdown came in the first round when Smyser lost his balance. The two tall, lanky fighters, however, finished up the round about even. In the second round, Smyser went through the ropes

## Engle 'Frisco-Bound' For Shrine Game

Penn State football Coach Rip Engle left this morning for San Francisco, Calif., to begin preparations for the arrival of his East team over the weekend for the annual East-West Shrine Game, Dec. 28 at Kezar Stadium.

Engle, after serving the past two years as an assistant coach of the East, will be head coach this season. "It's a challenge in a way," he said in speaking about the job.

"I feel real good about the opportunity to do it . . . it's for a real good cause," he said.

The money made on the game goes to the Shriners' Hospital in San Francisco for the care of crippled children.

Two Lions, end Les Walters and fullback Emil Caprara, will join Engle for the game later this week. They leave for San Francisco over the weekend.

Engle has quite a star-studded team to direct this year. Included on the roster are All-America selections Jimmy Phillips of Auburn and Jack Gibbons of Iowa, both ends, tackles Alex Karras of Iowa and Lou Micheals of Kentucky, and back Walt Kowalczyk of Michigan State.

## Lions Elect Garban New Grid Captain

Center Steve Garban was named the 1958 captain of the Penn State football team by the present squad last night at a banquet in honor of the team sponsored by the State College Quarterbacks Club.

Garban succeeds guard Joe Sabol. This is the third consecutive year that the Lions have elected a single captain. Guard Sam Valentine broke somewhat of a Lion grid tradition in 1956 by being named the first single captain after several years of naming co-captains.

Edward Hintz was named at the banquet as the new Lion head football manager. He succeeds Paul Schonbacher. Dave Williams, Lennie Wolf and Galen Myers are the new first managers.

The 1957 letter winners were also named at the banquet. They number 31.

Garban was the Lions' center on Coach Rip Engle's alternate unit. He was credited by Engle as being a key factor in the unit's development with his outstanding leadership ability.

The banquet officially marked the end of Penn State grid activities for the year. Wally Weber, freshman coach at the University of Michigan, was the guest speaker.

Coach Rip Engle also gave a brief talk. Engle leaves this morning for San Francisco where he will coach the East team in the annual East-West Shrine game. End Les Walters and fullback Emil Caprara will join Engle later in the week for the game.

The letter winners are: Joe Bohart, Pat Botula, Caprara, Eddie Caye, Jack Farls, Garban, Al Jacks, Dave Kasperian, Earl
