Eberhart Wins With Sparkling Offensive Effort

By MIKE MAXWELL

Beta Theta Pi produced three winners and Alpha Zeta's Bill Eberhart put on a strong individual show to highlight intramural boxing action last night at Recreation Hall.

Beta's Beale Kinsey advances to the semi-finals as the result of his decision over Ed Gruss, Phi Kappa. Kinsey was effective with a series of left and right jabs.

Al Clemens was another Beta winner. Clemens decisioned Bill Klimek, Pi Kappa Alpha, by rallying strongly in the third round with a few hay-makers and good defense. Klimek looked good in the second round with his left and right hand jabs that threw Clemens off guard.

Beta's other victory came when John Urban won by a decision over Manfred Speer, Sigma Pi. Both put on a very good match and Speer seemed to take the edge at the outset of the bout.

Speer hit Urban with a series of hooks and jabs and put his opponent on the defensive throughout the first round. But Urban came back by putting up a stiff defense to Speer's sharp attacks. Urban turned in a decisive third round that gave him the nod.

Eberhart, fighting in the 165-pound weight division, stopped Alpha Chi Sigma's Barry White in the third round. Eberhart knocked his opponent down three times in the match and continually hit him with a barrage of jabs and hooks.

Bill Smith, Delta Sigma Phi, will meet Clemens, as a result of his decision over Tau Phi Delta's Charles Strauss.

Smith caught Strauss open continually throughout the match, especially in the first and second rounds.

The independent divisions also provided some hard fought two-fisted action.

Mark Silverstein scored a decision over Bob Slagle. Although Slagle had the slight edge in the first round with his left jabs, Silverstein got the nod mainly because of his timely left jabs which caught Slagle off guard in the second and third rounds.

In other action Maurice Hobaugh decisioned Ron Jones, and Bob Smith defeated Bob Ellis.

Sports Dope . . .

Penn State in 1957 averaged 75 plays per game in a 9-game football schedule. Coach Rip Engle attributed the speed-up to use of platoons and the dispatch with which quarterbacks Al Jacks and Richie Lucas handled their duties in the huddle.

Penn State's southpaw, Ed Drapcho, pitched a no-hitter in 1956, the third no-hitter in Penn State history.
