

Prelim Sing Schedule Announced for Greeks

The schedule for the preliminaries in the IFC-Panhel Sing April 14 and 15 has been announced.

Sororities will sing on Monday, April 14, and fraternities on Tuesday, April 15. Three finalists will be chosen in each group to compete Saturday, April 19, in Schwab Auditorium for the Sing championships.

Nancy Siftar, Sing co-chairman, said the groups, with a few exceptions, were arranged according to preference times which were indicated on the entry blanks.

Miss Siftar asked that all groups be ready to sing 10 minutes before the scheduled time so the tight schedule can be followed.

Chorale to End Concert Series Tuesday Night

The Roger Wagner Chorale will present the final program of the current series of the State College Concerts Association at 8:30 p.m. next Tuesday in Schwab Auditorium.

A total of 260 tickets will become available to students at 1 p.m. next Tuesday at the Hetzel Union desk.

The chorale was organized in 1945 as the City of Los Angeles Concert Chorale, sponsored by the City of Los Angeles Bureau of Music.

Its present name was adopted in 1947 when the Chorale made its professional debut under Franz Waxman's baton in "Joan of Arc at the Stake" by Honegger.

This was the first of a series of appearances in the Los Angeles Music Festivals' programs in such major works as the Verdi Requiem, Honegger's "King David"; Bach's "St. John's Passion"; Ravel's "Daphnis and Chloe"; Stravinsky's "Oedipus Rex" and others.

The group is composed of 16 to 255 voices, depending upon the music to be interpreted. The chorus on tour will include 24 voices. Appearing with the chorus will be the duo-piano team of Melvin Stecher and Norman Horowitz.

A FRAT TO REMEMBER

Every year, as we all know, the Benevolent and Protective Order of Collegiate Fraternities awards a highly coveted prize to the fraternity house which, in its judgment, has done the most to promote and enhance the fraternity way of life. The prize this year—eight hundred pounds of putty—goes to the Alpha Hernia chapter of the South Dakota College of Dentistry and Renaissance Art.

The award this year is exceptionally richly deserved, for the Alpha Hernia house is the very model of all a fraternity should be. It is, first of all, a most attractive house physically. The outside walls are tastefully covered with sequins. Running along the upper story is a widow's walk, with a widow stationed every three feet. Moored to the chimney is the Graf Zeppelin.

a widow's walk, with a widow stationed every three feet...

Indoors the house gives an impression of simple, casual charm. The chapter room is furnished in honey maple and hints, with a dash of verve provided by a carp pool three hundred feet in diameter. A waterspout rises from the center of the pool with the housemother bouncing on the top.

Members' rooms are gracious and airy and are provided with beds which fold into the wall and are never seen again. Each room also has a desk, a comfortable chair, a good reading lamp, and a catapult for skeet-shooting. Kidney-shaped desks are available for kidney-shaped members.

Perhaps the most fetching feature of the house are the packs of Marlboros stacked in heaps wherever one goes. If one wishes to enjoy a fine filtered cigarette in any room of the house, all one need do is reach out one's hand in any direction and pick up a Marlboro. Then one rubs two pledges together, lights one's Marlboro, and puffs with sweet content the tastiest smoke the mind of man has yet devised.

The decor, the grace, the Marlboros, all combine to make Alpha Hernia a real gasser of a fraternity. But a fraternity is more than things; it is also people. And it is in the people department that Alpha Hernia really shines.

Alpha Hernia has among its members the biggest BMOCs on the entire campus of the South Dakota College of Dentistry and Renaissance Art. There is, for instance, William Makepeace Sigafos, charcoal and bun chairman of the annual Stamp Club outing. Then there is Dun Rovin, winner of last year's All-South Dakota State Monopoly Championship, 135 Pound Class. Then there is Rock Schwartz, who can sleep standing up. Then there is Tremblant Placebo, who can crack pecans in his armpits. Then there is Ralph Tungsten, who went bald at eight.

But why go on? One can see what a splendid bunch of chaps there is in Alpha Hernia, and when one sees them at the house in the cool of the evening, all busy with their tasks—some picking locks, some playing Jacks-or-Better, some clipping Playboy—one's heart fills up and one's eyes grow misty, and one cannot but give three cheers and a tiger for Alpha Hernia, fraternity of the year!

And, if you don't mind, a rousing huzzah for Marlboro, cigarette of the year, whose makers take pleasure in picking up the tab for this column.
