Group Urges Pa. Unemployment Tax Reduction, More Spending

WASHINGTON (AP)—Calling for bold action to meet the recession, the head of the National Planning Assn. Friday urged a four-billion-dollar increase in government spending and a tax reduction of seven to eight billion dollars.

"In this situation I think it is more prudent to err on the side of acting too boldly than too timidly," said H. Christian Sonne, NPA board chairman.

He advanced his proposals at a hearing of the House Banking Committee.

White Backs Ike's Plan For Unified Defense

WASHINGTON (AP)—General Thomas D. White, Air Force chief of staff, went down the line for President Eisenhower's defense reorganization plan Friday. He said separate ground, sea, and air warfare is "gone forever."

Unlike some other military leaders, White gave 100 per cent endorsement to the reorganization bill at hearings before the House Armed Services Committee.

Pa. Unemployment Reaches 509,000 For Post-War High

HARRISBURG (AP)—The bureau of employment security reported Friday that unemployment reached 509,000 last month in Pennsylvania to set a post-World War II record for idled workers.

Broken down, this meant that more than one of every ten of the estimated 4,600,000 person work force in the state was idle during April.

The figure compares with 265,000 reported jobless in April 1957. It also exceeded the mid-March unemployment estimate of 488,000 indicating the anticipated seasonal upswing failed to come about.

The bureau said it also set a new record in payment of jobless funds last month in paying 40½ million dollars in unemployment compensation claims.

Columbian Coup Fails

BOGATA, Columbia (AP)—A presidential candidate and four members of Columbia's ruling five-man military junta were kidnaped Friday in a vain effort to seize the government.

The bold move began at 4 a.m. Seven hours later all those kidnaped had been released.

Tam, Silky, Reward Still Derby Picks

LOUISVILLE, Ky. (AP)—Two more sudden withdrawals reduced the field for the 84th Kentucky Derby Saturday to 14 horses, but did nothing to shake the belief that Tim Tam, Silky Sullivan and Jewel's Reward are the ones to beat in the great 3-year-old classic.

Jet's Alibi, one of the three Maine Chance Farm colts entered by Mrs. Elizabeth N. Graham, was scratched because of a bruised right forefoot. Can Trust, from the Hasty House Farm of Allie E. Reuben, also came out and will go in an easier race on the Derby Day program.

This old city on a horseshoe bend in the Ohio River was jammed by thousands of visitors from all parts of the country and overseas, awaiting the moment when the massed bands play "My Old Kentucky Home" and the horses parade to the post for the 4:30 p.m. EST start.

On most lips was the big question: Can Silky Sullivan, the California crawler, come through with his patented late charge and overcome the leaders in time to grab the greenbacks and glory?

Baseball--

Lions' batting leader Gary Miller rifled a double to center and Ron Riese walked. Then Larry Fegley, using his bat as if it were Ben Hogan's number three iron, golfed one of McCracken's low pitches over the left fielder's head for a triple that scored Miller and Riese.

Coach Joe Bedenk's ruffians finished their scoring in the sixth frame with a two-out, three-run explosion.

After Steve Baidy had grounded out to open the inning and Miller had followed with a fly out to right, Riese and Fegley worked McCracken for walks. Bob Hoover singled back through second to score Riese, and Fegley rode home on Rainey's sinking single to left. Don Slickler's solid smash to left plated Hoover, and that was all for McCracken. Bill Hawkins, the Gettysburg relief man, forced Joe Moore to fly out to center to end the inning.

Cal Emery is slated for mound duty against West Virginia today. The hefty Lion portsider will be seeking his sixth straight win.

Ted Williams Wins Male Athlete Award

BOSTON (AP)—Boston's fabulous Ted Williams Friday received the one award that had eluded him during his long career—the trophy as the Male Athlete of the Year.

tions then.

The Lions enter the match as underdogs against a highly-rated squad. An indication of Penn State's chances were apparent when Fogg jokingly said yesterday that he wished he could play the Lehigh coach and have the match counted on the team score. Lehigh's coach, Gerry Leeman, is also the Engineer mat mentor and a former NCAA wrestling champ, and is not noted for tennis prowess.
