

# PENN STATE FROTH

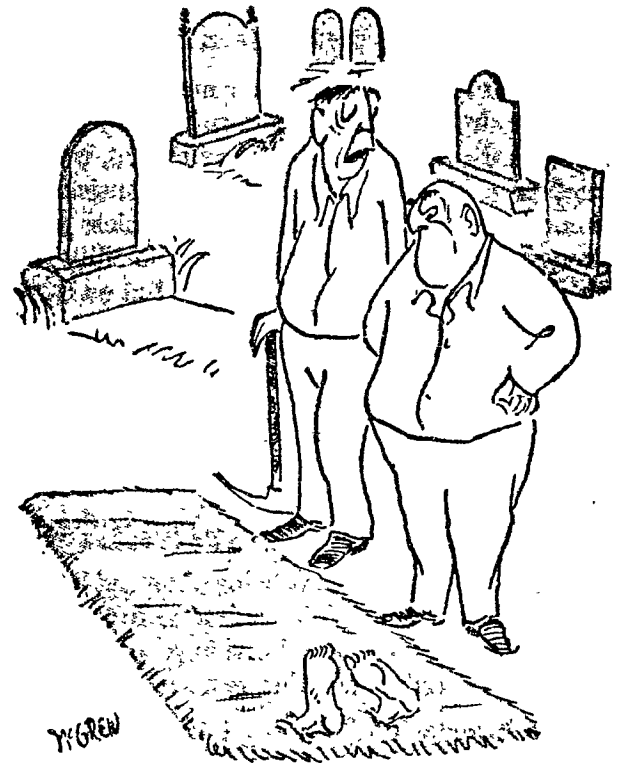

**Best of Froth  
1954-1958**

To those of you who haven't read Froth for the past 4 years . . . . SCHNOOK!

BUT—after careful editing we are presenting the most delightful, tantalizing, voluptuous Froth Girls; the most riotous, sidesplitting, zesty cartoons of the years 1954-1958. You may never again see these priceless antiques, so buy now. Be informed—read Froth.
