

# Thinclads Meet Jaspers In Dual Meet Finale

The Lion cindermen will meet the Jaspers of Manhattan College in their final dual meet of the season tomorrow at New York.

The Nittanies' have a 4-1 record on the dual meet circuit. Their sole loss was to Navy in their first dual meet of the season. Since then, they have downed West Virginia, Colgate, Michigan and Pitt.

According to Varsity Track Coach Chick Werner, the Lions have been improving every day and it is possible that the Nittanies may score an upset over the powerful Jaspers.

Werner is especially pleased with the progress of his half-milers, Ed Moran—holder of the Penn State 880 record (1:50.2)—Bill Schwab and Chick King. "They are coming along terrifically," he said, "but they will have to really put out to beat Tom Murphy."

Murphy is Manhattan's half-mile flash and is rated as one of the top middle distance men in the East.

Murphy took the laurels in the 600-yard run in the IC4-A tourney last winter. He turned in a 1:48.6 effort to anchor Manhattan's victorious 2-mile relay team in the Collesium Relays last week. His best time in the open half-mile is 1:49.1—done last year.

Close behind Murphy is teammate Joe Soprano. Soprano's best time in the 880 is 1:51.0.

Soprano and Murphy are also the Jaspers' top 440 entries. With the aid of teammates Joe Colino and Denny Burbridge, the Jaspers turned in a 3:11.9 effort in the mile-relay at the Collesium.

"We may surprise Manhattan in the discus," Werner said. Werner seemed pleased with the progress of the Nittanies' top discus men, Andy Nyce and Jim Wambold. Nyce and Wambold have been constantly

Ed Moran  
... another record time?

improving and the Nittanies could cop a first and second in this event.

Gene Martin, Manhattan's two-mile ace, copped the top two-mile honors in the Penn Relays with a time of 9:23. Martin will meet the Lions' Fred Kerr and Dick Engelbrink tomorrow. Kerr's best time for the distance is 9:18.8. Engelbrink's is 9:20.9.

Werner said that Penn State will definitely be favored in the mile-run. Number one miler for the Lions is Moran. Moran set a new Penn State mark for the distance—4:10.5—against Pitt. Backing up Moran are Kerr, King and Engelbrink.

Bob Szezyler, the Lions' number one low hurdler, will be trying to rack up his fifth victory of the season as he faces the Jaspers' Henry White. Szezyler took top honors against Pitt as he covered the distance in 23.8. White's time against Quantico was 25.5.
