

# Harriers Meet Navy Today

Varsity Coach Chick Werner will open his 26th year at the helm of the cross-country team at 1 p.m. today on the University golf course when the Lion harriers take on a strong Navy squad coached by 1950 Lion track Captain Jim Gehrdes.

"Although we beat them 25-30 in 1956 and 22-33 in 1957, I think they could be a real threat this year," Werner said yesterday.

"You can't predict what will happen when you meet a team with five good senior runners with two years of varsity experience behind each of them," he said. "And their two-year captain, (Dick) Winter, was sick last year and didn't run."

Other senior runners for the Middies last year and their places are Brad Smith (3rd), Tom Monaghan (6th) and Bob Kunkle (7th).

"In addition, that sophomore (Bob) Kiggins beat both (Denny) Johnson and (Herm) Weber in last year's freshman meet," Werner added.

The Lions will send a 12-man delegation — including two-time cross-country Captain Fred Kerr and track Captain Ed Moran — against the Midshipmen.

Two years ago, Kerr, Moran and Clem Schoenebeck tied for first against Navy. Last year, Kerr won the race, with Moran, second, and Schoenebeck, fifth. Schoenebeck would have been a senior this fall, but transferred to Tufts.

Juniors Dick Engelbrink and

**PENN STATE CROSS-COUNTRY COURSE** consist of one inside loop and one outside loop (three miles) for freshmen and one inside loop and two outside loops (five miles) for varsity runners. Races are started on the University golf course opposite Recreation Hall.

Chick King and sophomores Johnson and Weber probably will be the Lions' other chief threats to the Middies. Last year, Engelbrink took fourth and King 12th. Johnson took second and Weber fourth in the frosh meet behind Kiggins.

Other returning varsity runners in Werner's lineup will be George Jones, Sam White and Jack Williams.

Last fall, Jones took tenth place, with White placing 17th and Williams, 19th. All three are juniors.

With only Johnson and Weber returning from last year's frosh team which went undefeated in three dual meets, Werner will go with three new sophomore candidates — Ernie Noll, Dick Doyle and John Morton — to round out his twelve-man lineup.

# Larsen Faces Braves Today; Rush to Pitch for Champs

NEW YORK (AP) — Two up and two to go. But there is not a Milwaukee Brave who thinks that it will be easy.

Two down and four to go. But there is not a New York Yankee who thinks the situation is desperate.

Despite their crushing 13-5 defeat Thursday, the Yankees are confident that they can come back and turn the tables on the Braves.

Casey Stengel will send Don Larsen to the mound today in an effort to get the Yankees back in the series.

Milwaukee Manager will counter with Bob Rush. This will be

the first series game for Rush. Haney cautioned his team not to get overconfident: "It's far from over. I'm sure the Yankees feel that way too."

Warren Spahn, who probably will pitch the fourth game Sunday, said he figured it will take six games for the Braves to repeat last year's triumph. "These Yankees are plenty tough," he said.

Stengel also warned the Braves not to get too cocky. "Somebody ought to tell those guys not to get too overconfident. This club of mine has a way of coming back."

# Rams Host Lion Booters In Crucial Game Today

Penn State's soccer team faces its first big test of the 1958 season when it meets West Chester State Teachers College this afternoon at Wayne Field in West Chester.

West Chester is one of the toughest teams in the nation and last year it beat the Lions, 5-2. The Rams are currently riding a 16 game winning streak. Penn State is the toughest team on its schedule and reports from West Chester indicate that the Rams are really "up" for today's tilt.

"This game will answer all the questions about my squad," said Lion coach Kenny Hosterman. "West Chester is always tough and from what I hear they are just as strong as last year. It's going to be a real battle. If my boys get through this one we might go a long way."

The Lions will really have their work cut out for them this afternoon. According to pre-season reports, West Chester has a well-balanced team with plenty of scoring punch. They have seven returning lettermen plus an outstanding new goalie, Terry German.

Bruce

Hosterman plans to counter with almost the same lineup that he used last week in the 7-1 trouncing of Bucknell. The only change in the Lion starting alignment will be at left fullback where Wayne Rogers will replace Mike Ackley.

"Wayne is a good defensive man and is very fast. He's a little faster than Ackley and that's why he will start," said Hosterman. "West Chester's wings are extremely fast and Roger's presence will help us a lot."

The rest of the team will be the same as last week. Loren Kline and Pete Wadsworth will start at the wing positions. The insides will be Mike Stollmeyer and Bill Fiedler. Fiedler scored four goals in last week's opener against Bucknell and is in good

position to challenge the all-time Penn State scoring record of 25 goals set by Dick Packer in 1952.

At halfback the Lions have Herby Hertner, Bill Rierson, and Gary Miller. "All three played good games last week, especially Hertner," commented Hosterman.

The other fullback slot will be manned by Paul Bauer. Bauer will have a lot of running to do today since he will be responsible for West Chester's top scorer, Chris Jones.

Jerry Bruce will open in the nets for the Nittany booters. After understudying Lion goalies for the last two seasons Bruce finally got his chance to start. Last week he missed a shutout on a "freak play" when the ball bounded off a Penn State player and caromed into the Bucknell goal.

This is the rubber game in the Penn State-West Chester series. Both teams have a 2-2-1 record.

### 360 Wins in 71 Years

Penn State's all-time football record shows 360 wins, 198 defeats, 34 ties in 71 seasons of play since 1887.

# Low Scoring Team Wins in X-Country

Unlike most sports, the team with the lowest score wins in cross-country.

When each entrant crosses the finish line, he is assigned the same number as his place in relation to the other runners at the end of the race.

Only the numbers of the first five runners on each team can be charged against the team.
