BU Expected to Give Lions 'Tough Game'

By LOU PRATO, Collegian Sports Editor

When NBC-TV scheduled the Penn State - Boston University grid tilt as the Oct. 18 Eastern regional game of the week a couple of months ago, one could hear the grumbling all the way from Punxsutawney to Holyoke.

For Penn State was such a heavy favorite when the TV commitments were made that most of the Eastern grid fanatics were thinking of playing ping-pong or leap-frog instead of watching the "dull Penn State runaway"

But things sure have changed. Especially after BU's 36-30 victory over a highly-touted but luckless West Virginia team last Saturday.

That was the second win of the year for the Terriers, but even their lone defeat was impressive. Navy grabbed a 28-14 decision off Coach Steve Sinko's machine two weeks ago, although the nationally-ranked Middies were outplayed for most of the game.

Lion end coach J. T. White, who scouted the New England club in both the Navy and West Virginia scrapes has already climbed aboard the BU bandwagon.

"They're good," White said. "They have a big line, a well-balanced offense, and probably most important of all, they hustle like few teams I've seen. They keep the pressure on at all times with their hustle and quickness.

"That line averages over 200 pounds," White continued, "and the backs have great speed. They use a variety of offensive maneuvers—open ends, flankers and ends over—and if you're not ready for them, they'll cut you down."

White was full of praise for the Terrier quarterbacks, Emo DiNitto and Jim Girouard. "They are both good passers and good ball handlers," the Lion mentor said. "DiNitto is kind of small but very elusive.

"DiNitto started against Navy but it was Girouard who had the most success. Last week Girouard started against West Virginia but it was DiNitto who was the hero."

Because of the passing performances by the BU quarterbacks, the Terriers are ranked eighth in the nation—and third in the East—in team passing offense. They have completed 25 of 53 passes for 457 yards and three touchdowns. Only five

throws have been intercepted. "Don't think that the quarterbacks are their whole show," White said. "They have four good halfbacks and a tough fullback in Jimmy Dean. And besides, they expect to have their co-captain (John) Maio ready for us. He was their top runner last year, but broke his leg during the summer. He warmed up against West Virginia, but he didn't play."

If Maio returns, he is expected to solve BU's "problem" at left halfback. "Maio will help us if he plays," Sinko said. "We have been hurting at the left half post so far, although Bill Burgess did a good job there

against West Virginia. But we couldn't do anything off that left side against Navy." The rest of BU's strong running corps includes Paul Cancro, Tom
