

Army Leads in Statistics, Deadline Today But Pitt QB Boasts Win For Intramural Cage Entries

By The Associated Press
Army, currently No. 1 in The Associated Press weekly college football poll, also is No. 1 in total offense among the nation's major teams.

The Cadets regained that distinction in defeating Virginia last week, displacing Colorado, which still clings to the lead in rushing.

Syracuse is the top scoring team in the nation, with an average of 32.5 points in four games and Rutgers and Colorado are deadlocked for second at 32.3 in four. Army is fourth with an even 30 in four starts.

The National Collegiate Athletic Bureau statistics show Army with an average of 440.8 yards per game to Colorado's 425 yards.

Colorado's rushing average is 353.3 yards to 278.5 yards for Clemson, in second place. Army is in fifth place in that department with 269.8 yards.

Hardin-Simmons has replaced Washington State in the passing department.

In five games the Texas school has completed 80 of 168 tosses for an average of 172 yards a game. Army is second there, with 35 completions in 77 attempts for a 171-yard average in four games.

It might be noted that Army's total offense leadership is due to an adroit mixture of running and passing, as the Cadets do not lead in either of those departments.

Colorado primarily is a running team, as it does not rank above the first 10 in passing.

Band Day Game Tickets To Go On Sale Today

Tickets for the Band Day football game with Furman will go on sale at 8 a.m. today at the ticket office in Recreation Hall.

About 2000 tickets for the Syracuse game will also be on sale.

PITTSBURGH (AP)—"We'll beat Army," Ivan Tonic said Tuesday.

And who is Ivan Tonic? He's the 20-year-old No. 1 football quarterback at Pitt, a fellow who has completed 20 of his 30 pass attempts this year and is known for his modesty.

As he calmly predicted Pitt would defeat the team rated No. 1 in The Associated Press football poll, Tonic didn't sound like he was whistling in the dark. Nor did he make a boast of it. . . . It was just a calm, and matter-of-fact statement by a calm, matter-of-fact guy.

"We've got a good solid team," Tonic said. "Sure, I know Army is tough and is favored but I think we have a better team and I think we'll win."

In completing 20 of 30 passes this season, Tonic has gained 356 yards. He's thrown 3 touchdown heaves

Entries for the fraternity and independent intramural basketball competition must be turned in by 4:30 p.m. today at the IM office in Recreation Hall.

The IM basketball season stretches from late October to the middle of March. It is broken up by Thanksgiving and Christmas vacations, final examinations, and the period between semesters. The majority of the games are played late in the evenings including Friday. Only 100 independent teams can be accommodated and organizations may enter only one team.

Teams will be arranged in round-robin leagues with each team playing each other team in its league. League winners will compete in a single elimination play-off for the championship.

A \$1 entry fee will be charged for each team.

Lucas Player of the Week--

game, they made many mistakes but Saturday both the offense and defense clicked just right."

From his TV chair, Mathews analyzed the individual stars as follows: "The consensus among the TV viewers in State College favored Richie Lucas as the natural Player of the Week. Although nearly everybody looked good, Lucas, who appeared to be in complete command of the game, was by far the standout—not only from an offensive outlook, but also for his defense, which included an 18-yard runback of an interception.

"Sam Sobczak, who played less than half the game (26 minutes according to head manager Eddie Hintz' stacionian), killed any hopes BU might have had of getting a big lead as they did against West Virginia the previous Saturday. One group that deserves special praise is the linebackers. Sammy Stelletella intercepted two and Chuck Ruslavage and Wayne (Chug-along) Berfield picked off one each.
