Daughters' Milk Wins Bull Prize

It was his daughters' milk that led to the success of Coldspring's Noble's Favor, a registered Guernsey bull owned by the University, which was selected as a distinguished Summarized Sire by the American Guernsey Cattle Club.

A bull must have at least 10 daughters with official production records before it is eligible for this distinction. Noble's Favor, bred at Sugarloaf, has 20 tested daughters who have made no less than 65 official records.

The average production of Noble's Favor's daughters is 10,378 pounds of milk and 539 pounds of fat. This means milk, milk and more milk in anyone's vocabulary.

Noble's Favor's sire was Coldspring's Romulus Noble and its dame was Coldspring's Hardwick's Fantia. Favor has also had 25 of his registered daughters classified with an average rating of desirable.

Each class in the early 1900's had an official class pipe with sterling silver numerals and bands.

Allen Street Blaze Leaves 12 Homeless

A fire that swept through a stone double house on South Allen Street Sunday has left 12 State College residents, including two students and an assistant professor of English, homeless and without most of their possessions.

Dr. J. Mitchell Morse, his son Jonathan, freshman in bacteriology and frosh footballer DiGregorio Guerino, fresh-

man in physical education, are among the 12 residents evicted by the fire. Morse, with a family of four, lived on one side of the house. Guerino resided on the third floor on the other side of the house.

Other people affected by the blaze are Mr. and Mrs. John F. Richards and their five children.

The blaze that started in the basement of the house at 623-625 South Allen Street spread rapidly through the partitions of the 3-story home. Alpha firemen, who arrived at 3:15 p.m., were hampered by heavy smoke as they tried to stop the blaze.

Mrs. Morse first noticed the blaze when smoke was beginning to seep through the first floor. Both families were at home at the time.

Losses have been estimated at over \$15,000. An appeal was made yesterday to the State College Red Cross for articles of clothing and other essential household items.

Earlier in the day Alpha firemen were called at 12:45 p.m. to a transformer fire on Maple Road in the faculty-student housing area off East College Avenue. Damage was restricted to the transformer.
