Martin Will Speak On National Issues

U. S. Senator Edward Martin (R.Pa.) will discuss "Major Issues Before the Nation" at 2:10 p.m. today in the Hetzel Union assembly room.

Martin is the second speaker in a series on "Ethics and Public Policy" which is being sponsored by Pi Sigma Alpha, political science honorary society, and the student cabinet of the University Christian Association.

Two weeks ago, U.S. Senator Joseph S. Clark Jr. (D.-Pa.), spoke on the campus. Another politician, Philadelphia Mayor Richardson Dilworth appeared on campus recently to discuss integration problems in the North.

The purpose of these talks is to acquaint students with outstanding political figures and to encourage responsible citizenship through a greater awareness of the major policy decisions confronting the nation.

An informal coffee hour with Martin as guest will be held at 10:15 a.m. today in the Helen Eakin Eisenhower Memorial Chapel Lounge. The coffee hour will last until 11 a.m. and is open to the public.

Martin has been a member of the Senate since 1947. He previously served as governor of Pennsylvania, state treasurer, adjutant-general, auditor-general and chairman of the Republican State Committee. He was graduated from Waynes-

burg College in 1901 and is now serving as a trustee of the college. He received doctor of law degrees from Washington and Jefferson College and the University of Pittsburgh. He was admitted to the Pennsylvania bar in 1905 and began his practice in Waynesburg.

Martin served in the Spanish-American War and both world wars. He received numerous military decorations, including the Distinguished Service Cross and the Purple Heart.

Party Funds To Be Asked Of Cabinet

The Present Problems of Student Government Student Encampment report will recommend at tonight's All-University Cabinet meeting that political parties be financed by Cabinet funds which would be administered directly by the Elections Committee.

Charles Bartholomew will present the entire report which deals with the major problems of student government at 7 tonight in 203 Hetzel Union.

Cabinet will also hear three committee reports and two officers reports.

Douglas Smith, chairman of the Traffic Court, will give a financial report on the amount of fines collected by the court this year. Smith said 25 to 30 cases have been heard by the court.

Smith said the number of cases has been cut down considerably by the institution of a \$1.50 additional fee added to fines which are upheld by the Court. "The additional fee is definitely working to the court's advantage," Smith said.

Barbara Kersnick, chairman of the Dean of Men's Coffee Hours, will explain the plans for the 1958-1959 coffee hours which are held monthly. Administration and student government leaders are invited to attend the hours by the dean of men's office.

All-University President Jay Feldstein will give a progress report on the Cabinet Public Relation committee. The committee was organized two weeks ago and has begun to broadcast a weekly Cabinet Forum of the Air program over WDFM and WMAJ.

Other reports will be given by John Gingerich, All-University secretary-treasurer; and by John Yeosock, chairman of the Student-Town Relations Committee; on the work of his committee in investigating a Cabinet recommendation concerning a traffic problem on E. College Avenue.

Ed Students to Hold Party

The Student Education Association of Pennsylvania will hold a Halloween Party for all education students at 7 tonight in the Lutheran Student Center.

No Student Tickets Remain for Concert

No more student tickets remain for the appearance of pianist Guiomar Novaes scheduled for 8 p.m. Sunday in Schwab Auditorium.

A total of 900 tickets earmarked for students were given out within two hours after distribution began at 1 p.m. yesterday.

The sale of non-student tickets will begin at 9 a.m. today. A total of 245 non-student tickets are available at \$1.25 each. The sale will continue through Sunday or until all tickets have been sold.

Guiomar Novaes has made many concert tours of the United States, Europe and South America, and has won a large following in each country she has visited. She is known throughout three continents as one of the foremost woman pianists of our time.

Critics agree that she plays the great piano music of the world with complete understanding mastery. They say she also seems to reflect an inner radiation during her concerts. As a leading New York critic observed, "I never thought of technique as she

played—only of that ideal perfection of music to which all the arts are supposed to aspire."

In her studies and professional career which began when she was eight, Miss Novaes has received many awards. She won a scholarship to study at the Paris Conservatory, and after two years of study was awarded the first prize of the Conservatory.

In 1939, she was decorated by the French government for the concerts she gave in Paris for the Paris Conservatory's teachers.
