

WSGA Unit Courts May Be Created

The Women's Student Government Association Senate may establish unit courts to deal with minor offenses up to those meriting a strict weekend campus.

The plan, tentatively approved by a straw vote of the Senate Wednesday night, would unburden Judicial from minor details.

Players Name Cast Members For 'Clearing'

Cast members have been announced for the Players' production of Arthur Laurents' "A Clearing in the Woods" to be presented on Dec. 4, 5 and 6 in Schwab Auditorium.

The cast will be headed by Patricia Thompson as Virginia, a mentally sick woman who, in a process of self analysis, is forced by her past to go back through her life and try to find the time, place and event which caused her unhappiness.

Others are Louise Williams as Jigee, representative of Virginia at age 10; Marilyn Roberts as Nora, representative of Virginia as a teen-ager; Janice Champagne as Ginna, who is similar to Virginia as a young woman; Norma Lee Beale as Hazelmae, Virginia's girlhood friend; Harry Jones as Barney, Virginia's father who is addicted to the bottle and the golf course; Robert Shiarella as Pete, Virginia's ex-husband who is a college BMOC; William Kotzwinkle as The Boy, Virginia's first love who introduced her to spiked drinks; David McGirr as Andy, her true love who returns to her and saves her sanity; and Richard Mazza as George, a composite of all the men with whom she has tried to find happiness.

The play will be directed by Frank Neusbaum, professor of theatre arts.

HUB Lion's Den Hours To Be Extended Tonight

The hours in the Lion's Den will be extended until 12:15 tonight.

Snack bar services will end at midnight. This is the third weekend that the trial hours have been in effect. They will last until the weekend of Dec. 19.

Rec Building 'Off Limits' For Children

State College youngsters no longer will be able to use the facilities of Recreation Building.

The University yesterday directed an appeal to the community to make Rec Building "out of bounds" for the youngsters.

"Because of our responsibilities to our students," Ernest B. McCoy, dean of the College of Physical Education and Athletics, said, "It is not possible for us to lock the building at night and over weekends."

He made it plain, however, that the University will do what it can to provide supervised play for the community youngsters during special periods of the year. During University recesses, the building is used for recreational instruction for the children.

The University's newest appeal was prompted by an accident which resulted in serious injury to a 12-year-old boy last Sunday. Previously, heavy damage to valuable equipment had prompted comparable appeals.

McCoy also said that beginning immediately the building would be locked on those Saturday nights on which no authorized events are scheduled. On Sundays, student "watchers" will be posted and University students will be admitted by matriculation card only.

Student Union at Hazleton To Be Dedicated Tomorrow

A \$110,000 Student Union Building, financed by student funds, will be dedicated tomorrow afternoon at the Hazleton Campus.

President Eric A. Walker will present the dedication address and other members of the administration and faculty will attend the ceremonies.

Students of the Hazleton Campus two years ago requested that they be assessed \$10 per semester to finance the union building. The University Board of Trustees approved the plan and advanced funds to start construction.

The building is a two-story brick structure located at the center of the Hazleton Campus. It is 36 by 91 feet.

Thomas Hammonds, of General Extension, said that many of the students who were instrumental in work toward the Hazleton building are now students here.

Walker's speech at Hazleton will be his second of the weekend. He addressed a dinner meeting of Harrisburg area alumni yesterday.

Walker was in Harrisburg also to attend a Farm-City luncheon Thursday.

"Dear, do you suppose we could dine out tonight - I broke the can opener!"

Everyone Welcome

The courts would consist of one representative chosen in the spring from each residence hall unit. The representatives, who would serve the following year, would form a number of 4-member courts and a number of 6-member courts.

Applicants would be screened by WSGA Senate. The chairman of each court would sit on Judicial.

The Senate must pass the plan at two meetings before it can become a part of the constitution.

Other suggested constitutional revisions are the addition of a second vice president and another sophomore senator. The second vice president, who would be a sophomore, would take charge of Freshman Council. The council is now headed by the sophomore senator.

There is now only one sophomore senator. Under the revised constitution, senators would not be elected to handle a specific committee, as they are now. Their duties would be purely legislative.

The chairman of the Freshman Regulations Board and the president of the Town Women would be added as ex-officio members. A town senator now sits on council, but the position has been dropped for elections next spring.

These proposed revisions must also be passed at two meetings before they are adopted. If they are adopted, they will go into effect by the spring elections.

O-O-OH LOOK!

Uh, huh... it's that time again, and don't you be caught napping this year! Sure, it's still early, but now is the time to start thinking about Christmas.

You have an excellent opportunity to find out the needs and wants of your family, relatives, and friends at Thanksgiving. Don't wait for Mom to whisper in your ear and tell you what the other members of the family need. Ask her... when you sneak out to the kitchen for that pre-dinner sample of turkey or stuffing!

And after Thanksgiving, check Daily Collegian Advertising each day and all your gift problems can be solved. The Collegian has united with the State College Merchants to bring you "Gift Ideas" and "special features" from now until Christmas vacation begins.

So don't wait until the 20th to start your shopping, find out now what the folks want... and buy your gifts in State College.
