

UPI Names Garban Schweiss Rolls 249 to Spark SPE To All-East Squad

Gridiron laurels continue to pour in for members of the 1958 Nittany Lion pigskin eleven as United Press International honored three of Coach Engle's charges on its All-East team released yesterday.

Lion captain Steve Garban repeated his AP selection of last week as he was placed on UPI's All-East first team. This signified Garban's supremacy among eastern centers as was a unanimous choice of both major selection boards.

In a lineup studded with All-American honor winners, Maury Schleicher drew a second team berth and Chuck Ruslavage filled a third team guard slot for the eastern standouts.

This was the second honor for Schleicher, a senior but a novice at the terminal position, who received an All-American vote from Wilkinson's Rating System. Especially noted for his defensive play, the converted fullback received honorable mention on AP's All-East eleven.

State gridders seem to have fared a little better in the UPI selections than in the AP picks. Ruslavage, who received honorable mention to AP's All-East aggregation, was a third team choice on UPI's eastern array and was also accorded honorable mention to UPI's All-American squad.

Six All-Americans appeared on the UPI All-East team—Ron Luciano, Syracuse tackle, John Guzik, Pitt guard, Bob Novogratz, Army guard, mates Pete Dawkins and Bob Anderson, Army halfbacks, and Bill Austin, Rutgers tailback.

The remainder of the All-East first team includes Villanova's Gene O'Pella and BU's Jim Ken-

ney at ends, Steve Bennett, Boston College, tackle, and quarterback Chuck Zimmerman from Syracuse.

The second team backfield was composed entirely of quarterbacks. Reporters and coaches selected Tom Greene, Holy Cross, Don Allard, Boston College, Joe Tranchini, Navy, and Frank Finney, Brown.

Charles Schweiss of Sigma Phi Epsilon rolled a smashing 249 single and 604 triple to lead his team to a 4-0 victory over Sigma Tau Gamma as the Sig Eps picked up a point on league-leading Theta Xi in the Fraternity D intramural bowling circuit.

Theta Xi downed Chi Phi, 3-1, in spite of Chi Phi's Charles Edmunds individual efforts of 212 and 502 high single and triple.

Hank Deemer's 210 single was in vain as Tau Kappa Epsilon dropped a 4-0 decision to third-place Alpha Sigma Phi.

Jim Black's 518 high triple paced Pi Kappa Alpha to a 4-0 win over Phi Sigma Delta. Jeffrey Cohn rolled a 211 single game total for the losers.

In other league D games Kappa Delta Rho dumped Beaver House, 3-1, while fourth place Sigma Nu

beat Alpha Zeta by an identical score.

Alpha Chi Rho took undisputed possession of first place in the Fraternity C listings by shutting out Phi Sigma Kappa, 4-0, while Alpha Kappa Lambda was held to a 3-1 margin over Triangle.

Ron Kinch of Alpha Chi Rho topped the scorers with a 508 total for three games and AKL's Jim Boyles was right behind with a 504 total.

Triangle maintained its hold on third place despite its loss to the league's number two club.

Fourth place Alpha Chi Sigma was tied by Phi Gamma Delta and Acacia and Delta Upsilon deadlocked, 2-2.

Beta Theta Pi swept all three games and total pinfall to defeat Sigma Chi, 4-0. Sigma Alpha Mu

beat Pi Lambda Phi, 3-1.

Current standings show Theta Xi occupying first place in League D with a 27-5 record. Sigma Phi Epsilon holds down second place with 25-7. A 24-8 slate gives Alpha Sigma Phi possession of the third slot and Sigma Nu rounds out the first division with 17-15.

The top four in League C are Alpha Chi Rho, 27-5, Alpha Kappa Lambda, 26-6, Triangle, 23-9, and Alpha Chi Sigma, 21-11.

Famous Fathers

Jim Schwab, sophomore Penn State end, is the son of Frank (Dutch) Schwab, all-American guard for Jock Sutherland at Lafayette in 1921. Freshman end Bob Mitinger, Jr., is the son of Lafayette's other guard that season.

Tri Sig, ChiO Post 5-3 Score In WRA Cage

The lowest score of the current WRA basketball season occurred Thursday when Sigma Sigma Sigma edged Chi Omega, 5-3.

In other intramural activity, in the Monday league, Grange topped N.E. Atherton 34-18. Sally Stultz led the winners with 13 points. N.W. Atherton lost a close battle with Kappa Kappa Gamma 13-10. Grange and the Kappas lead the Monday league—both teams are undefeated.

Tuesday 6:30 league leaders are Delta Gamma and Alpha Delta Phi. Undefeated Simmons is ahead in the 7:30 division. This week's action saw Phi Beta Phi winning over Lyons, 28-15. Pi Phi's Harriet Doaty led with 20 points. Alpha Omicron Pi lost to McAllister Hall 20-14 with Barb Smith scoring most of Mac Hall's points. Simmons crushed Beta Sigma Omicron 24-8, with Charlotte Flack's 10 points leading the winners and S.E. Atherton forfeited to Alpha Delta Phi.

Kappa Alpha Theta whipped Delta Delta Delta 28-9 in Thursday night activity. Judy Clancy scored 14 points. Pi Mu's Sue Standish led her team to a 26-7 victory over Alpha Phi. She netted 6 field goals. Alpha Xi Delta trounced Zeta Tau Alpha 25-11 with Dottie Querry hitting 17 points.

The DZ's and Theta's are undefeated in the 7:30 Thursday division, while Phi Mu leads the 8:30 division with a perfect record. Wednesday undefeated teams are Hoyt and McElwain.

Patterson Wants to Fight Sweden's New Playboy

NEW YORK (AP)—Heavyweight Champion Floyd Patterson wants to fight Sweden's Ingemar Johansson.

"And I hope soon," said Patterson. "He's the No. 1."

The 23-year-old champ has been out of action since Aug. 16, when he stopped Texan Roy Harris in the 12th round, and he's itching to fight.

Patterson's manager, Gus D'Amato, wouldn't comment. D'Amato recently conferred with Johansson and his Swedish "adviser," Edwin Ahlquist, about a title fight. But D'Amato said nothing had been settled.

ROBERT H. SWISHER, B.S.E.E., GROVE CITY COLLEGE, '54, SAYS:

"I like my job. Here's why."

"I'm a radio transmission engineer for Bell Telephone Company of Pennsylvania. My work is interesting and full of variety, and I get all the responsibility I can handle. Have a look at today's assignment, for example —and see for yourself."

"8:30 a.m. I'm at my desk applying a new method for overcoming interference on Pittsburgh's mobile radio channels. It involves operating inactive channels on reduced power."

"10:45 a.m. Before any modifications can be made, it's important that I check apparatus and wiring options. That's what I'm doing here at the Remote Control Terminal equipment."

"1:30 p.m. After lunch, I take a company car out to the transmitter tower site. Here I check wiring and explain our plan to one of our mobile radio maintenance men."

"3:15 p.m. I review my proposed modifications of auxiliary control circuits with Supervisor Sid Graul. Now I'll prepare work orders, and next week we'll make operational tests."

"Final phase. The operational test is made from an actual mobile radio unit. I'll make test calls and monitor the channels from various points within the Pittsburgh area."

"See what I mean? I really get to 'carry the ball.' Soon I'll be taking a special course in advanced electronics at Bell Labs—a great opportunity. As I said —I like my job."

Like Bob Swisher, you may find a bright engineering future with the Bell Telephone Companies. Talk with the Bell interviewer when he visits your campus. And read the Bell Telephone booklet on file in your Placement Office.
