There are two openings on the Council of Town Independent Men for any interested students who can qualify

Any independent man, living in town, with an All-University average of 2.0 or better is eligible.

He must submit a petition signed by 20 town independent men to the TIM office, 203 G, Hetzel Union and must attend the first TIM meeting after Christmas vacation.

For additional information students may call Edward Schultes, ADams 8-8441, extension 2402.

Engineering assistants work in all three areas. They know enough of the engineering terminology and languages—math, graphics and a spoken language—to do valuable research. They have enough mathematical knowledge to do certain production jobs and certain production jobs and they know enough basic engineering to work in installation, maintenance and sales, he said.
