

Campus Leaders Invited To Coed Matrix Dinner

Invitations for the first coed Matrix Dinner to be held February 22 have been sent to approximately 425 students outstanding in leadership and campus activities and 60 faculty and administration members.

The dinner, sponsored annually since 1935 by Theta Sigma Phi, woman's professional journalism fraternity, had previously honored women students only.

Press to Give Award to Honor First Director

The University Press has established the Louis H. Bell Memorial Award to honor the memory of its first executive director.

The award will be made each year, beginning in 1960, to the member of the teaching or research staff who submits the best book manuscript during the preceding year. The recipient will receive an appropriate citation, a cash prize of \$1000 and all royalties accruing from publication of the book.

Bell died of a heart attack last October while in New York on business for the Penn State Press. He had served the University for 24 years, originally as a teacher and for 15 years as director of the Department of Public Information and University editor.

T. Rowland Slingluff, director of the Department of Publications and University Editor, said the award will be administered by an advisory committee which will seek the help of eminent scholars outside the University in determining each year's winner.

Seniors Chosen For 'Who's Who'

Thirty-eight seniors have been chosen for listing in the book, "Who's Who Among Students in American Universities and Colleges."

The students, who were chosen primarily for their participation in campus activities, are as follows:

Louis Phillips, Jay Feldstein, Phyllis Muskat, David Fineman, Florence Moran, Charles Welsh, William Sekeras, Eugene Curry, Jack Kendall, Frank Vojtasek, Edward Hintz, Ellen Donovan, Calvin Emery, Bryna Nelson, Howard Smythe, Eleanor Judy, Lynn Ward.

Marshall Jacobson, Mary Ann Gemmill, Judith McFarland, James Meister, James Ressler, John Gingrich, Sandra Grotzky, Ruth Johnson, Robert Franklin,

45 Space Films To Be Shown

Forty-five filmed lectures on "Space Technology" will be given in 17 weekly installments, beginning this week. The lectures are sponsored by the Central Pennsylvania Section of the Institute of Radio Engineers.

Each installment will be shown three times during the week. On Tuesdays, the film will be shown at the Curtiss-Wright Aircraft Co. plant at Quehanna; 7 p.m. Wednesdays in 219 Electrical Engineering; and 7 p.m. Thursday in the Mineral Industries Auditorium.

Further information and registration forms may be obtained from W. G. Houser, Ordnance Research Laboratory. For members of I.R.E., the fee is \$20; for non-members, \$25; for student members, \$5; and for student non-members, \$10.

University Stickers Cause Delay in Auto Inspections

A few students recently ran into difficulty when they were prevented from having their automobiles inspected because of the University parking permits on their windshields.

According to section 816 of the Pennsylvania Motor Vehicle Code any sign, poster or other material placed upon the windshield, side windows, wings, or rear windshield is unlawful, unless the placing of such device is expressly approved by the Department of Revenue.

The University parking permits have been approved by the department and are therefore legal, according to the Motor Code. Other

unapproved stickers, decals, etc. are unlawful and persons found guilty of this offense are subject to a \$5 fine or a maximum of three days in jail, according to Justice of the Peace Guy C. Mills.

He said that a few years ago, the Campus Patrol placed stickers upon windshields, but were ordered to stop when they were charged with unlawful tampering with automobiles.

According to John R. Malloy of the Department of Revenue, it is also unlawful to suspend any object from the inside rear view mirror of an auto. The penalty for this offense is a \$10 fine plus cost of prosecution or a 5 to 10 day jail sentence, he said.

In observance of the 50th anniversary of the founding of the fraternity and the 25th anniversary of the founding of the chapter at the University, this year's dinner will honor both men and women students.

Mrs. Lee Walsh, women's editor of the Washington Star, will be the featured speaker. Awards for the Matrix, Cap and Quill girls will be announced at the dinner by the members of Theta Sigma Phi.

Students attending the dinner will elect the Matrix Girl. Candidates for this honor are the presidents of Women's Student Government Association, Panhellenic Council, Scrolls, Women's Recreation Association, Mortar Board and Leonides.

The Cap and Quill girls will be chosen by Theta Sigma Phi. The Quill award will go to an outstanding senior woman who has never been recognized by a hat society. The Cap award will be given to a senior woman who has been a member of a hat society and has rendered outstanding service to the University.

Those receiving invitations to the dinner may pick up tickets anytime before 5 p.m. February 20 at the Hetzel Union desk.

Legislators--

(Continued from page one) meetings without a law."

Ujobai and McCann were interviewed in separate meetings by members of the University's chapter of Sigma Delta Chi, men's professional journalism fraternity. The members also interviewed the governor, state Senate staffers, State Rep. William K. Knecht (R-Schuylkill) and Leonard Unger, chief of the Associated Press Harrisburg bureau.

The members also were recognized from the floor of the State Senate by Majority Leader James S. Berger (R-Potter) and attended a meeting of the Senate Committee on Education. G. Richard Dew, general manager of the Pennsylvania Newspaper Publishers Assn., arranged the tour.

Robert LaBar, Edward Frymoyer, Ronald Kolb, Joseph Patton Jr., Wilbur Lewellen, John Bott, Frederick Kerr, Donald Zepp, Jean Kissick, Janet Ours, Howard Maierhofer and Steve Garban.

Speaking of Dance Orchestras

The **CAMPUSEERS*** are happy to announce that Stan Michalski** (He's terrific on piano) has joined their happy crew.

*It's a great band.

**He plays accordian and organ, too.
