**CANDIDATES FOR MATRIX GIRL**, l-r, front row: Phyllis Muskat, Ellen Donovan, Rita Saltzer; back row: Fran Griffin, and Judy McFarland. The matrix dinner, sponsored by Theta Sigma Phi, women's journalism honorary, will be held Sunday night. A sixth candidate, Jean Kissick, was not available to be photographed.

## Matrix Dinner Skit To Portray Leaders

A skit portraying the "hidden talents" of campus leaders and "unkown facts" about campus politics will be presented at Theta Sigma Phi's Matrix Dinner on Sunday.

"Behind the scenes stories that don't make the headlines will be acted out," Patricia O'Neill, secretary of Theta Sigma Phi, women's professional journalism fraternity, said.

## Walmer Named To Health Staff As Psychiatrist

The University has appointed Dr. John D. Walmer of the Lebanon Veterans Administration hospital staff as staff psychiatrist with the Ritenour Health Center.

Walmer will also serve with the Department of Psychology in broadening the services of the Psychological Clinic.

He is a graduate of Lebanon Valley College and of Temple University Medical School. After an internship in the Harrisburg General Hospital, he served from 1943 to 1946 in the Army Medical Corps. He later returned to the Harrisburg hospital and served one year as its chief resident physician.

From 1947 to 1950 he engaged in the general practice of medicine in Lemoyne. His training in psychiatry began as a member of the Lebanon Veterans Administration Hospital staff where he was a ward psychiatrist from 1950 to 1953.

He was assigned as acting chief of the Continued Treatment Department in the veterans' hospital and from 1953 to 1957 served as chief of this department.

Walmer is a member of the American Medical Association, American Psychiatric Association, Pennsylvania State Psychiatric Society and the Academy of Religion and Mental Health.

### New Hours Announced For Cabinet Officers

New office hours for All-University Cabinet officers in 202-A Hetzel Union are:

Jay Feldstein: Monday, 4 to 5 p.m.; Tuesday, 10 a.m. to noon; and Thursday, 1 to 3 p.m.

Steve Garban: Monday, Tuesday, Wednesday and Friday 11 a.m. to noon.

John Gingrich: Tuesday, 11 a.m. to noon and 3 to 5 p.m. and Wednesday 11 a.m. to noon.

## It Pays To Advertise, Tyke Finds

Collegian Classifieds pay off. Observe:

"\$10 bill, lost by 6th grader—was to pay vet for operation on his dog. Lost in the vicinity of W. Foster Ave. Please call AD 8-6912."

This poignant plea appeared in the Collegian's classified ad section on Tuesday. The ad, thanks to a University student, resulted in a mended dog, a happy 6th grader and a mother much impressed by student honesty.

On the same day the ad appeared, the bill was returned to Mrs. Charity Barlet, of State College, by David Mankey, sophomore in physical education from Pittsburgh. Mankey found the bill as the ad had mentioned, on W. Foster Ave., and returned it folded just as it had been when Mrs. Barlet's son lost it. Mankey refused a reward for his honesty.

Classifieds: 17 words or less, one insertion: 50 cents. Additional words—3 for 5 cents for each day of insertion.

Mrs. Barlet's ad—26 words. Ten dollars minus (three times 5 cents plus 50 cents) equals nine dollars and 35 cents. Nice profit.

There are only two places in the United States where the flag may be flown at night during peacetime. They are: Over the grave of Francis Scott Key in Maryland and the capitol in Washington.

## Workmen's Drills Ring in New Phones

By TOM EGGLE

For the past three weeks, coeds have been listening to the buzz of drills boring into the walls, as workmen make way for the new dial telephone system.

But that's the price they must pay so their friends can call in and they can call out 24 hours a day starting next fall.

Wilbur F. Diehl, manager of telephones, said yesterday that under the new system, which should be completed by August 16, there will be about one phone to every three-and-a-half rooms.

Under the new system every resident hall room will be assigned a phone number containing the exchange "University," followed by five digits, as UN 3-3459.

The number may then be dialed from anywhere in town or by an out-of-town operator.

Diehl said that wiring is being done in North Halls, South Halls and in Atherton, McElwain and Simmons Halls.

Work on the new Telephone Building, in which all telephone equipment will be housed, has been held up recently, according to the construction supervisor on the job. The supervisor said the delay was caused by inability to get windows for the building from the manufacturer.

However the building is near enough completion so the Western Electric Corp. workmen can start to install telephone equipment whenever they are ready.

the supervisor said. He said he expected them to start installation some time this week.

Diehl said the original date for completion, which had been set for the last of August, was moved up two weeks to August 16 so the phones would be in use for a convention which will bring about 5000 persons to campus.

Diehl said there will not be any time when the phones will be shut off. He said that one minute you'll have to ask the operator for the number and the next minute you'll just dial the number you want.

The system was in the planning stage for two-and-a-half years before it was approved by the Board of Trustees, Diehl said.

### Aviation Meeting Tonight

A research engineer with the Pennsylvania Aeronautics Commission will conduct a special meeting dealing with the commission and agricultural aviation at 7 tonight in 206 Agricultural Engineering.

### MASTERS DEGREE CANDIDATES

in Electrical Engineering, Mechanical Engineering,  
Mathematics and Physics

are invited to meet Representatives of IBM on

## MARCH 4, 5 & 6

For appointment, please contact your College Placement Office.

# IBM.
