

75 Will Participate In Alumni College

University alumni have been invited to participate in the first annual Alumni College program to be held on the campus April 16 to 18.

The project, which will enroll 75 graduates, is sponsored by the Alumni Association and the Center for Continuing Liberal Education. The center was established last year under

a grant from the Fund for Adult Education to develop formal and informal programs of liberal education throughout the state.

Four members of the University faculty will participate in the Alumni College along with two outstanding lecturers. Dr. Cyril F. Hager is director of the University's program.

Graduates enrolled in the college will explore the topic, "America as a Civilization: Today and Tomorrow," using the text "America as a Civilization" by Max Lerner.

Participating members of the faculty will be Dr. Amos J. Shaler, professor and head of the Department of Metallurgy; Dr. Chadwick C. Hansen, instructor in English literature; Dr. R. Wallace Brewster, professor of political science; and a member of the applied arts faculty, yet to be named.

Participating lecturers will include Dr. Joseph E. Johnson, president of the Carnegie Endowment for International Peace, and John Osman, vice president for the Fund for Adult Education.

Subjects to be discussed range from the culture of science, machine and literature in American civilization to directions of American painting and of American politics. Seminar sessions will follow each of the six lectures and there will also be periods for reading and study.

A registration fee of \$40 will cover the costs of texts, hotel room and meals while area alumni may register for \$20 since hotel accommodations will not be required. Ridge Riley, executive secretary of the Alumni Association, said. Enrollment is limited to invited alumni, but wives or husbands of alumni may accompany the graduate in the case of those requiring hotel accommodations.

Davis Injured --

(Continued from page six) appears to be in the mile run where no man has gone under 4:27. Ed Moran, Chick King, and Dennie Johnson are slated to run that event for the Lions.

Fred Kerr, Herm Weber, and Dick Engelbrink will carry the Blue and White colors in the two-mile run.

The closest races may develop in the 440 and 880 which the Buckeyes swept from the Spartans without the services of Davis. Dick Strayer is the best middle distance runner for Ohio State with a 1:54.9 clocking for the half-mile.

Bill Schwab, Dave La Hoff and Moran will run the 880, and Dick Hambright, Bob Szezyler, and Don Davies will compete in the 440-yard run.
