

Recreation Area Planned For North Hall Students

By TOM EGGLE

Men living in North Halls starting next semester will have plenty of places where they'll be able to relax.

Plans for the area include everything from horseshoe pitching to handball courts.

At present four combination basketball-volley ball courts are scheduled for the area. Also included in the plans for outdoor recreation are three tennis courts, a softball pitching area, four handball courts and a general play area.

Board Reviews Collection Ideas For Class Gift

Methods of collecting the money necessary to reinstate the Senior class gift were discussed at the first meeting of the Freshman Class Advisory Board Tuesday night.

Robin Brooks, president of the class, asked board members for suggestions of ways to collect the pledges at registration. Under the plan put forth by All-University Cabinet each person would pay 50 cents each time they registered.

Miss Brooks said this year's freshmen would have to pay an extra dollar at the next registration to make up for the year of payments missed.

One suggestion by the board was to use extra IBM cards at registration. Another was to punch or stamp a card, showing the money was paid.

In other business, Miss Brooks announced that the class budget is \$350. She also set the date for the class dance as April 1.

Marjorie Ganter was appointed secretary of the advisory board and Richard Haber, last year's freshman class president, was named adviser and parliamentarian.

The board's next meeting will be March 8.

Phone Damage Paid by Student

A University student pleaded guilty yesterday to malicious injury to Bell Telephone Co. property in a hearing before Justice of the Peace William P. Bell.

Larry Epstein, a sophomore in business administration from Philadelphia, paid \$11.50 in costs and \$5.70 in restitution resulting from having unauthorized telephone equipment in his room and connecting it to a phone.

Epstein was placed on office probation until the end of the semester by the dean of men's office by Dean Frank J. Simes.

Bell Telephone authorities found a headpiece and dialing equipment in Epstein's room in a downtown apartment. Epstein claimed he obtained the equipment from a telephone repairman several years ago.

Last semester five students were fined and paid costs to the Bell Telephone Co. for tampering with telephones in the West Halls residence area. There are both federal and state laws prohibiting the tampering with or to telephone equipment.

Paced by an all out team effort, Phi Kappa Psi lengthened its unbeaten skein in fraternity basketball league "F" by handing Omega Psi Phi a 37-25 defeat.

Down by an 11-19 score at the halfway mark, Phi Delta Theta made a tremendous comeback to tie Theta Xi, 30-30, at the end of regulation time, then managed to grab the deciding point in the overtime period to claim a 31-30 victory.

In other fraternity games Delta Upsilon overwhelmed Zeta Beta Tau, 54-26; and Sigma Tau Gamma rallied to cop a 22-19 victory over Pi Kappa Alpha.

State should be given the edge at 137, 177 and heavyweight—but when Speidel and Peery clash, there's no such thing as a "sure win." I've seen too many "sure wins" turn into "sure losses."

Guccione meets Sherm Moyer at 137, George Gray battles Vuocolo at 177, and Johnston Oberly faces either Tom Hall or Bob Guzik at heavyweight. If all three Nittany matmen give the type of performances that they are capable of, they should win.

Pitt is the favorite again, according to the majority of Eastern wrestling followers. But as Maryland's mat coach said a couple of weeks ago when questioned about the Lions' chances against the Panthers: "They said Charlie wouldn't win the last two years—and look what happened."
