

# 56 Coeds Will Vie For WSGA Offices

Fifty-six women students will vie for coeds' votes today in the Women's Student Government Association primary elections for officers and senators.

All women students may vote for WSGA officers. Voting for senators will be by classes; freshmen voting for a sophomore senator, sophomores for a junior senator and juniors for a senior senator. Town women will also vote for senators on a class basis.

# IFC Plans To Eliminate Office Pay

The Interfraternity Council last night proposed to do away with compensations for the president and executive vice president and eliminate the executive vice president position from its offices.

Several constitutional and by-law changes were introduced in preparation for passage at next week's meeting. The changes were made necessary by the hiring of a part-time secretary to replace the executive vice president post in the Fraternity Affairs Office.

Under the proposed amendments, the FAO workers will be coordinated by the part-time secretary and the compensations now received by the president and executive vice president will be used to help pay for the secretary's wages.

The IFC president now received a \$100 a year compensation and a recognition key and the executive vice president receives \$75 a year and a key.

No nominations for IFC officers were made at last night's meeting and final nominations will be held Monday, March 16. Edward Hintz, IFC president, said the candidates for offices must be either fraternity presidents or chairmen of IFC committees.

Hintz said there is no 60-day limit placed on fraternity presidents as was previously thought and that the IFC constitution does not require any specific average for its officers. Election of officers will be held March 23.

In other business Hintz said a survey would be conducted of fraternities to determine the prevalence of seniors leaving debts to fraternities. The information has been requested by the Senate Committee on Student Affairs.

Hintz took the IFC request for withholding diplomas of seniors leaving debts to individual fraternities to the Senate committee meeting last Thursday. The IFC voted to ask the University to withhold diplomas only after the individual fraternities had made every reasonable effort to collect the debt.

# 143 Join Campus Party; 64 Register for University

A total of 143 persons registered for Campus party and 64 for University party Sunday night.

Registration will also be held at meetings next Sunday. Persons who have already registered may pick up their party cards at these meetings.

At the University party meeting, Frank Pearson, junior in arts and letters from Ridley Park, was elected party chairman. He replaces Howard Byers, who resigned the position last week. Before his resignation Byers had appointed Pearson vice chairman. Pearson was elected unopposed.

Edgar Walker, junior in arts and letters from Pine Grove Mills, defeated Charles Davis, junior in physics from Erie, for vice chairman, 23 to 11. Since there were no nominations for corresponding secretary, elections for that post will be held next Sunday.

Harold Sandstrom, junior in arts and letters from Bryn Athyn, was elected junior class party president. Sandstrom defeated

Norman Kahn, junior in psychology from San Antonio, Tex., 21 to 16.

No one was nominated for junior class party vice president, corresponding secretary or treasurer. Elections for these positions will be held at Sunday's meeting.

more senator, sophomores for a junior senator and juniors for a senior senator. Town women will also vote for senators on a class basis.

Voting women may select two candidates for each office and for their class senator.

After the balloting, the two candidates for each office and the four candidates for each senator position receiving the highest number of votes will be candidates in the final elections Thursday.

As only two women students are running for the position of WSGA president, they will not appear on the ballot until the final elections. The candidates are Nancy Clark and Jessie Janjigian.

Voting will be held from 10 a.m. to 7 p.m. in McAllister, Atherton, Redifer, McElwain and Simmons Halls. Voting hours in Irvin will be from 11 a.m. to 1 p.m. and from 5 to 7 p.m.

Freshmen living in McAllister, Irvin and Grange will vote in McAllister.

Freshmen living in Atherton will vote in Atherton.

Women living in the South Halls will vote in Redifer, opposite the mail boxes.

Both freshmen and upperclass women living in McElwain as well as town women will vote in McElwain.

All Simmons residents and upperclasswomen living in Atherton will vote in Simmons.

All upperclass women in Irvin will vote in their residence hall.

Students do not need matriculation or meal cards to vote. Names and room numbers of voters will be checked on a master list.

Final elections will take place Thursday at the same times and places as today's elections.

## Compromise--

from school construction and the school lunch programs from schools not integrated by 1960.

The bill also asked that Federal troops be used to enforce integration at any school still segregated by September 1961 and to restore all Negro teachers released because of compliance with the Supreme Court desegregation ruling.
