

Local Beautician Serves Negroes

Negro women can now have their hair dressed at Lynn's Beauty Shop, town senator Phoebe Humphrey reported to the Women's Student Government Association Senate last night.

A wife of a graduate student who knows the process for treating Negro hair will be working at Lynn's for the next eighteen months. Mrs. Lynn is also learning the process, Miss Humphrey said.

400 Tickets Remain For Dance Group

Less than 400 student tickets remain for the performance by the Dance Drama Company at 8:30 tonight in Schwab Auditorium. About 30 non-student tickets remain.

In three days 696 student tickets have been distributed. Sixty-four non-student tickets have been sold in the two days since they were made available.

Tickets are still available at the Hetzel Union desk. Non-student tickets are priced at \$1.25.

The 8-man company, featuring Emily Frankel, will perform five numbers.

Circá, campus literary magazine, will be sold at the performance. This year's issue came out Monday. It costs 25 cents.

Miss Frankel is co-founder and choreographer for the group besides being featured dancer. She founded the Dance Drama Duo with Mark Ryder in 1950. Success brought about the enlargement of the company to its present size.

The Dance Drama Company, 13th in the current Artists' Series, has performed in 600 American cities and many foreign countries.

AM Out--

(Continued from page one) munications program with the privately owned radio station, if successful, will fulfill the desire of the members of the class."

But protests concerning the action came immediately from Wilbur Lewellen, WDFM station manager, and Dr. Harold E. Nelson, WDFM faculty adviser.

Nelson said: "The action came as a complete shock to us." Lewellen said last night:

"Of course, none of us associated with WDFM really has been informed of all the facts connected with this matter. We have only recently been informed that any action was taken and we are still not sure just exactly what that action was or what prompted it."

"We are naturally surprised that, to our knowledge, no WDFM personnel were consulted and no study of WDFM's operation or facilities was conducted prior to the action. We can only wait for further developments."

Dennis has said he plans to meet with officials of WDFM soon in order to discuss the action.

2 Councils--

(Continued from page three) ed on cabinet. She also said that she believed political parties would play a greater role with the new cabinet set-up.

Some Council members expressed concern about the representation of personal interest and fraternity blocks under the new plan.

Suzanne Shaner, sophomore in education from Bellefonte, said that she thought cabinet members elected in the new way would be dependent on a greater number of students for election to office and would therefore not represent personal interests.

Stranger--

(Continued from page one) Bullock had been riding around town in the cab, running up a total bill of \$9. Needless to say, Bullock couldn't pay it.

In his pocket police found a bus ticket for Tyrone, where his mother allegedly resides. They decided to hold Bullock at the jail until the bus departed at 8 p.m.

"... And make sure he's on that bus!" yelled Sgt. William H. Seckinger to a patrolman.

Greek Week Plans Include Quartet Sing

By TOM EGGLE

In a little over two weeks, April 5, the 1959 Greek Week will get under way after several months of planning.

Plans for this year's Greek Week include something new—quartet singing groups. The quartet category has been included so fraternities and sororities not wishing to enter

the regular Greek Week sing competition may still gather points towards the over-all first place trophy.

Response for quartet competition has been much better than expected, according to Dorothy Williams, co-chairman of the sing committee. Twenty-five fraternities and 11 sororities have entered quartet competition. Twenty-two fraternities and 11 sororities have entered the regular sing competition.

A trophy will be awarded to the two first places in regular sing competition, according to Miss Williams. Awards for the two first places in quartet competition have not yet been decided upon, she said.

Finals for sing competition will start at 7:30 p.m., April 11 in Schwab Auditorium. A 25 cent donation will be expected from people attending the finals, according to Stewart Bailey, co-chairman of the sing committee. Bailey said the money will be given to the fraternity and sorority Scholarship Fund.

A poster contest also will be included in Greek Week. Posters which portray the unity of fraternities and sororities will be exhibited in the reading room of the Hetzel Union Building a week before Greek Week. At the end of the week the posters will be judged by three members of the art department faculty.

The first four places in both the sorority and the fraternity classes will be chosen and all posters will then be put on display in store windows downtown.

The deadline for entering posters in the contest is tomorrow. All posters are to be turned in at the HUB desk.

128 Penalties Issued By Judicial

One hundred twenty blackmarks, six 1 a.m. removals, one strict week campus and one strict 4-day campus were issued by the Women's Student Government Association Judicial Board of Review and the Freshman Regulations Board yesterday.

Forty-seven blackmarks were given for one to 4-minute latenesses. Freshman Regulations Board gave three blackmarks to a coed who was five minutes late in returning from the library.

Two blackmarks were awarded to an upperclass woman who was 11 minutes late Friday night.

An upperclass woman who signed in at 2:55 a.m. Saturday morning was given two blackmarks. The girl said she and her date were returning from Bellefonte when their car skidded into a drift.

Fifteen blackmarks were issued for untidy rooms, eight for not having rooms ready for cleaning, four for not having linen in readiness for change and one for an unmade bed.

For signing in or out incorrectly 14 coeds received blackmarks. Thirteen blackmarks were issued for forgetting to sign in or out.

One blackmark was issued for wearing a gym suit in the lounge, one for wearing Bermudas in the lounge and nine for excessive noise.

One a.m. removals were given for latenesses of from five to 10 minutes (four), signing in or out incorrectly (one) and for an accumulation of four blackmarks (one).

Sports Car Club to Hold First Rally

The Sports Car Club will hold its pioneer rally at 2 p.m. Sunday.

Both members and non-members of the club are eligible to participate in the rally which will use the parking lot of the Hetzel Union Building as its starting point.

Registration for the rally will take place immediately prior to the event. An entry fee of \$1.50 will be charged for each participating car.

A rally school will be held at 1 p.m. Sunday in 105 Osmond for those with a limited knowledge of rallying.

A car rally resembles a sort of treasure hunt, in that printed in-

structions are given to each of the contestants at the beginning of the rally. The instructions were made up by a committee headed by the rally master, Harold Stasch, junior in mechanical engineering from Corning, N.Y.

They contain directions for reaching the destination and the average speed, always a safe one, maintained during the rally. These directions are usually given in a vague, ambiguous manner in order to make the trip more interesting.

The winner will be determined on a point basis. Each car starts the rally with 100 points. Points are deducted for deviations in time and speed. These deviations are detected by checkers located at various check points along the route of

the rally which will be approximately 80 miles long.

First, second and third place winners in this week's rally will not have to pay the registration fee for the next rally.

Any number of passengers may ride in a participating car although only a driver and a navigator are necessary.

The rally is an all-weather event although changes in time and speed will be made in case of inclement weather.

Outing Club Plans Overnight Party

An overnight party at the Forestry Cabin is being sponsored by the Outing Club Saturday.

An outdoor treasure hunt, and square and folk dancing will be featured at the party.

Those wishing to attend must be a member of the Outing Club or be a guest of a member.

Transportation will be provided behind Osmond Lab at 8 p.m. Saturday.

Reservations should be made at the Hetzel Union desk before 9 a.m. Friday.
