

# India Won't Aid Senate Passes Bill To Aid Jobless

NEW DELHI, India (AP)—Prime Minister Nehru told Parliament yesterday India is keeping hands off the anti-Communist revolt in Tibet, and that fighting between the Red Chinese and street mobs apparently has died down in Lhasa, the capital.

His statement apparently demolished one of the last hopes of the Tibetan rebels.

Jyalo Thondup III, one of four brothers of the Dalai Lama, spiritual ruler of the lofty Himalayan nation, told reporters at Darjeeling, near the Tibetan border, "the only hope of Tibetans now is that India and the free world will act."

Representatives of Tibetan refugees met at Kalimpong, also on the border, and decided to seek to send a delegation to Nehru to ask him to use his moral influence with Red China to stop fighting.

## Anderson Resigns Post

WASHINGTON (AP)—Assistant Atty. Gen. Malcolm Anderson resigned yesterday, effective April 3. Anderson said he plans to re-enter private legal practice with a Pittsburgh firm.

Anderson, a native of Washington, Pa., and former U.S. attorney for Western Pennsylvania, wrote President Eisenhower he can "no longer neglect my private affairs."

In reply, Eisenhower said he

# Senate Passes Bill To Aid Jobless

WASHINGTON (AP)—The Senate passed a \$389.5 million bill designed to help areas of chronic unemployment with federal grants and loans yesterday. It far exceeded President Eisenhower's request.

The roll-call vote was 49-46. The bill now goes to the House which has conducted hearings on similar legislation.

Eisenhower last year vetoed a similar bill, carrying 100 million less than the measure before the Senate yesterday. Republicans freely predicted he also would veto the new version.

## Ike Again Asks States To Raise Jobless Pay

WASHINGTON (AP)—President Eisenhower renewed a bid yesterday he made five years ago that the states raise the amount and duration of unemployment insurance benefits.

Eisenhower made the plea at a meeting with an eight-governor executive committee of the Governors Conference. He reiterated his opposition to improving the jobless aid program by federal legislation as advocated by some Democrats in Congress.

The attending governors agreed it was a state problem.

realizes that Anderson's decision was prompted by personal considerations which cannot be ignored.

## Ike, Briton End Meeting

WASHINGTON (AP)—President Eisenhower and British Prime Minister Harold Macmillan ended their three-day strategy conference yesterday by agreeing it was the best they ever had.

The two old friends reviewed their decision to offer the Soviet Union's Premier Nikita Khrushchev a summertime summit meeting during a farewell 30-minute White House talk.

As he prepared to fly back to London today, Macmillan was reported advocating a series of informal summit conferences with Khrushchev.

## Annual Spray Program Will Begin Tomorrow

The destruction of the elm bark beetle will be the aim of the University's annual dormant spray program, beginning tomorrow and continuing through spring recess. In an all-out effort to protect the 402 elm trees of the campus

from the Dutch elm disease, a dormant spray will be applied to all trees and shrubs. The spray is not harmful to the skin, clothing or paint unless completely saturated or unless the skin is irritated by rubbing.
