past three years, but the improvement is evident and he did reach his peak this year at the climax of the collegiate season—a time when the team needed him most, according to Wettstone.

The "Big J" also scored points in five other events and finished second to Vega's top output of 61 points (which may also be another NCAA record—only two teams had more points than that) Werner had 35 points. He finished fourth in the "team race."

Behind him in the scoring race was the other half of the junior "Gold-Dust" twins, Lee Cunningham—a name that should be prominent in Penn State and collegiate gymnastics next year.

Cunningham also was in the scoring top ten in six events and wound up with 23 points.

"This was Lee's best performance since he's been here," said Wettstone. "What was amazing about it was that he performed so well with all those injuries."

Wettstone was referring to a severe ankle injury and a ripped hand that Cunningham got in the prelims. But Cunningham wasn't the only Lion who had to battle injuries.

Vega performed with a badly twisted knee. In fact Saturday morning he could just about walk. Some quick diathermy treatments and exercises helped and Vega came through.

OTHER MATTERS—Only four teams have scored over 90 points in NCAA competition and Penn State did it three of those times—91½ in '53, 137 in '54, and 152 this year for the new record. . . . Illinois holds the fourth mark of 123 in '56. . . . But the Wettstones should have little trouble making it five of six next year. Werner and Cunningham, who scored 58 this year, should score about 88

# Indie H-Ball Crown Won by Biesterfeldt

Bob Biesterfeldt copped the independent intramural handball crown Friday night, but the match to determine the fraternity king, slated for the same night, was postponed to 11 a.m. today.

Biesterfeldt didn't find his title easy pickings, though, as he edged by League G champ Larry Werner. After just a one-point winning margin in the first frame, he got stronger and wrapped up the first place honors with a 21-20, 21-11 score.

Last Thursday night Biesterfeldt had advanced to his semi-final berth as he eliminated League C winner, Jim Bush, on 21-8, 21-14 scores.

Werner won the right to face him for the crown as he lipped Ed Boothroyd, League B champ, 21-18, 21-5.

The fraternity championship contest was delayed as Bob Campbell was called out of town

over the weekend.

Campbell and Don Harnett, opponents in what has become an all Tau Kappa Epsilon final, are expected to provide a hotly contested battle for the title.

Harnett, runner up to champ Al Jacks in last year's tourney, is a slight favorite to come through on top this year, but Campbell is rated a definite threat to his plans.

Both dominated their flights preceding a championship play-offs. Campbell amassed a composite score of 126-11 over his flight, while Harnett swept to a 168-38 total in his.

# Minor, Gray, Oberly to Enter NCAA Wrestling Tournament

By JOHN BLACK

Sam Minor, Johnston Oberly, and George Gray will represent Penn State at the National Collegiate Athletic Association wrestling tournament at Iowa City, Iowa, Thursday, Friday and Saturday.

The three Nittany grapplers, who fought to the advanced rounds of the Eastern tourney two weeks ago, will compete with the top wrestlers from colleges throughout the nation during the three-day matfest on the Iowa University camps.

Minor and Oberly captured runner-up honors in the 147 and heavyweight classes in the EIWA's at Cornell, and Gray placed third at 167.

Posting the top individual slate in dual meets, Minor won seven matches and lost only one while wrestling in both the 157 and 147-pound divisions. His only loss was to Lehigh's Dick Santoro, who later annexed the 137-pound Eastern crown at the Ithaca tournament. Minor whipped Bob Schoenemann of Yale, Taggart Geer of Princeton, and Neil DeLozier of F&M, before having his streak halted by Lehigh's John Driscoll in the EIWA finals.

Oberly, whose older brother Bill won the NCAA heavyweight title in 1955, will attempt to follow his brother's footsteps. The 250-pound behemoth got as far as the finals in the Easterns where he dropped a 4-2 decision to Art Baker of Syracuse. Baker, however, may wrestle in the 191-pound bracket in the nationals. Oberly had a mediocre 2-3-1

record in season competition but decisioned F&M's seeded Chuck Pfommer, and pinned Temple's Ted Quedenfeld and Cornell's Dave Dunlop, defending EIWA champ, at Ithaca.

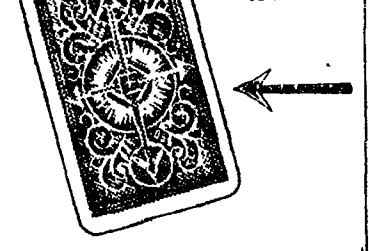

The only senior in the traveling trio, Gray will don the Blue and White for the last time. Gray wrestled in the 177-pound class during most of the regular season campaign but dropped to 167 for the Eastern tourney.

He defeated Terry Chase of

Brown and flattened Al Donzanti of Penn, but lost to Thad Turner of Lehigh in the semi-finals.
