Leonides Gets New

By BOBBI LEVINE

Independent women displaced by expanding sorority suites have won the right to first preference of unassigned vacant rooms.

Following a visit to Robert G. Bernreuter, vice president in charge of student affairs, and Otto E. Mueller, head of the Department of Housing, Carol Frank, president of Leonides, yesterday announced:

Independent women, feeling a responsibility to move due to an increase in sorority-designated spaces, will be given first preference within their class of vacant rooms not being reassigned.

This new agreement means that the room preference seniority system will not be disturbed in any way since sophomore or junior women being dis-placed would have first prefer-ence only in their individual classes and not over the entire independent woman group.

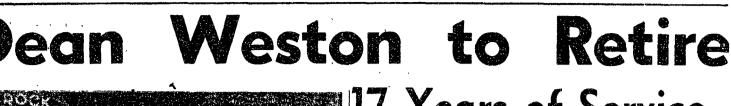

The agreement will become effective starting in the school year 1960-61. This is because the job of assigning rooms for the coming school year is already well under way and it is almost impossible to do anything now, Miss Frank said.

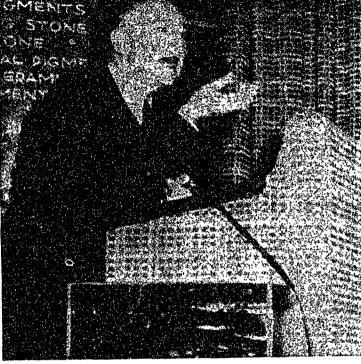

"We realize that this is a minor hope to eliminate possibilities of this."

Miss Frank said Leonides is still in full support of the new sorority housing plan which provides for the possibility of suite expansion from year to year.

The new agreement is a slightly modified version of a clause originally contained in the soror-ity plan. It was subsequently cut from the plan when it was pre-sented to Mueller last month. Miss Fronk with the approval of La Frank, with the approval of Le-onides Council, then met with Bernreuter and Mueller and worked out the newly-accepted clause.

Dean of Women Dr. Pearl O. Weston will retire July 1 after 17 years of service to the University.

Her immediate plans call for a trip around the world, much of it via the air. But the tour also provides for transportation via camel, elephant, sand cart, river boat and by other less conventional methods

of travel.

All this for a woman who be-gan her teaching career in 1912. The Executive Committee of the Board of Trustees meeting

on campus last night honored her for years of service with the title of Dean of Women Emerita. Miss Weston came to the University as assistant to the dean of women in 1942 and upon the retirement of Char-lotte E. Ray in 1946, she was named dean of women.
