

# Lions Set Mark at Quantico

By JOHN BLACK

The Nittany Lion distance medley relay team cracked the Quantico Relays record and the Penn State school record as it won the event in 9:53.8 at the annual Quantico track extravaganza.

The Blue and White thinclads won or qualified in every relay race and two individual races and placed in one field event during the first day's action of the 2-day meet.

The proteges of Coach Chick Werner won the 4-mile relay, qualified in the 400-relay and the 880-relay and copped a third in the sprint medley. Freddie Kerr won the 10,000-meter run and Bobby Brown qualified in the 100-yard dash preliminaries. The Virginia weather was quite

warm although a pouring rain descended in the late afternoon, but it did not hinder the trackmen.

The distance medley foursome of Charlie King, Dick Hambricht, Dick Engelbrink, and Ed Moran flashed across the finish 80 yards ahead of their closest competitor, St. John's. Moran coasted home on the anchor leg, conserving his strength for the mile leg that he had to run in the 4-mile relay an hour later.

King, leading the Nittany quartet from the post, got the Blue and White squad off to a good start, flashing through his half-mile in 1:53.2. Hambricht took the baton and dashed his quarter-mile in 48.8 seconds. Engelbrink proceeded to rip off his three-quarter mile leg in the dazzling time of 3:00.4. Captain Moran eased through the anchor mile in 4:11.4. The 9:53.8 total is a new Penn

State and Quantico mark and was also a second and a half faster than the Penn Relays record.

Kerr was a last-minute entrant in the 10,000-meter run and surprised the fans by upsetting veteran Browning Ross of the Penn Athletic Club. Only five men finished the six and one-half mile marathon and the swift Lion senior held a 100-yard advantage at the tape. Displaying great stamina and reserve, Kerr sprinted away from Ross in the last lap to pile up his wide margin of victory.

Brown ran the 100 in 9.8 seconds to win his heat and qualify for the dash finals today. Ira Murchinson, running for the

Chicago Athletic Club, and Paul Winder of Morgan State set a new Quantico record of 9.6 in their qualifying heat.

The 4-mile relay quartet won its event in 17:19.5. Quantico Marines finished second and St. John's third. King ran the fastest mile for the Lion team, clocking a 4:17. Engelbrink ran 4:20, Herm Weber 4:26 and Moran jogged 4:26.5.

The Nittany 440-relay team composed of Blaine O'Connor, Bob Szezyler, Hambricht and Brown qualified for today's finals in the time of 43.1 seconds. Winston-Salem set a new Quantico record of 42.1 for the event. Morgan State and Iowa are the other two qualifiers.

The same Lion foursome won their heat in the 880-yard relay trials. The time of 1:28.7 placed them in the finals against Villanova, Morgan State, Winston-Salem and Iowa.

Dave Truitt, George Metzgar, Don Davies and Bill Schwab copped a third-place for the Werner men in the sprint medley finals. Truitt was timed in 22 seconds for 220 yards and Metzgar in 22.2 for the same distance. Davies ran the quarter in 49.8 and Schwab anchored the team with a brilliant 1:53.4 half-mile leg.

John Tullar and Jon Musser were the only Lions to place in the field events. The Nittany field duo placed third and fourth in the discus throw. Musser's heave traveled 148' 11" and Tullar topped the 150-foot mark. Former Southern Cal (Continued on page eight)

## Braves Top Pirates; HR Wins for Chisox

PITTSBURGH (AP)—Pitching and power, the twin keys to a pennant last year, got the Milwaukee Braves off to a running start yesterday with an 8-0 victory over the Pittsburgh Pirates in their National League opener.

Left-hander Warren Spahn choked off two early Pittsburgh threats and breezed to the finish with his 44th major league shutout. In the second, the Pirates loaded the bases but Spahn got Bob Friend on a fly to short center and then fanned Bill Virdon.

In the third, Bob Clemente led off with a double, but was unable to score when Ed Matthews made a great stop on a single by Don Hoak and Spahn struck out Bill Mazeroski.

Big Eddie Mathews was the power man, booming a solid homer into the upper right field stands for two runs that broke a scoreless deadlock in the sixth. From that point the Braves won handily, adding two more runs in the seventh and four in a long eighth inning rally.

DETROIT (AP) — Nellie Fox hit a 2-out, 2-run home run in the 14th inning yesterday and gave the Chicago White Sox a 9-7 victory over the Detroit Tigers in a marathon American League opener.

The peppery little second baseman, who failed to hit a home run in 623 at-bats last season, connected against Don Mossi after Sam Esposito lined a 2-out single to left field.

It was Fox's fifth base hit in seven official trips in the contest that lasted 4 hours 25 minutes.

The game was only one inning short of tying the record for the longest opening game in baseball history. Walter Johnson pitched 15 innings for the Washington Senators and beat the Philadelphia Athletics 1-0 on April 13, 1926.

The two teams used 43 players, only one short of the American League record set by New York and Boston in the 1956 season.

Gerry Staley, sixth of seven Chicago pitchers, was the winner. Mossi, fifth Tiger pitcher, took the loss.

## Mostoller Wins 2 In Badminton

Adam Mostoller, Gene Grumer, Dean Seltzer and Dave Dunn each scored double victories to pace IM badminton competition last night.

Dunn, Delta Tau Delta, was extended to three games in his two matches. He first eliminated Tony Hager of Alpha Tau Omega, 15-8, 10-15 and 15-14. Dunn then defeated Earl Harbaugh of Delta Theta Sigma, 10-15, 15-4 and 15-3.

Grumer, Alpha Epsilon Pi, defeated John Craft of Phi Kappa Tau, 15-7, 8-15 and 15-14. Seltzer, Alpha Sigma Phi, first defeated Tom Ferentino of Theta Kappa Phi, 15-9, 15-5. His second victory was over Jerome Karp of Phi Sigma Delta, 15-14, 15-8. Karp earlier scored a 15-9, 15-8 win over Neal Mattern of Pi Kappa Phi.

Mostoller, of Alpha Chi Rho, beat Bill Fiedler of Sigma Nu and then defeated Bob Lackey of Pi Lambda Phi, 15-3, 15-1.

Bill Sekeras, Alpha Chi Sigma, scored the only shutout of the night, beating Dale Tomkins of Sigma Tau Gamma, 15-0, 15-1.

Other wins went to Vance Rea of Sigma Alpha Epsilon; Ned Manahil of Beta Sigma Rho; Charles Whiteman of Tau Phi Delta; Gary Best of Chi Phi; Bob Gross of Phi Epsilon Pi; John Behler of Theta Xi; and to Bill Rauschenberger of Delta Chi.

## Indians Stop Athletics As Brodowski Stars

KANSAS CITY (AP)—Dick Brodowski came to the ninth inning rescue of young Gary Bell and veteran Herb Score yesterday and Cleveland defeated Kansas City, 6-4, in an American League opener before 22,630 fans.

Bell, who had suffered only one bad inning, went into the ninth with a 4-run lead. With one out he gave up three straight singles and one run before being relieved by Score.

## As a MATT-er-a-FACT

By MATT MATHEWS Associate Sports Editor

Contact sports have always been popular with American crowds—except one, lacrosse. And that seems odd from this angle because lacrosse is one of the hardest contact sports in existence and has the lowest rating on the House Un-American Activities list.

In fact (it's as American as the Indians (who originated it). In case you're wondering what this is leading up to, it's the game between the Naval Academy and the Lions today on Beaver Field. It starts at 2 p.m.

In past years, this writer took in the games for two reasons: 1—The tough grueling contact that features more vicious blocking than even football (and there are far fewer pads) and, 2—I had to—it was my beat.

But the factor that will draw me to Beaver Field this afternoon is that this contest looks like the best lacrosse match in my four years here.

The opponent, Navy, is annually in the top of the national ratings each year. In fact, in past years this game was always considered a "set-up"—for Navy. The Lion teams that faced the Middies in the past had as their top ambition to hold down the score. Not so today.

Coach Earnie Baer's aggressive talent search is beginning to pay off in the form of experienced stickhandlers and tough defenses.

Baer, who has been emphasizing defense this year, has a starting unit of defensemen and midfielders that averages 193 pounds. And none of them can be considered slow.

In Baer's own words, "This is a tough, powerful defense. It's quite capable of slamming any team around." They showed the fans that last week against Loyola.

In explaining his defensive "philosophy," Baer feels a strong defense will overpower the opponents and get the ball to the offense, giving them the opportunity to shoot more.

The philosophy paid off last

week as the Lions' defense continually forced Loyola to lose the ball. In fact, the Greyhounds only took an average of four shots per period.

Another factor that usually overtops the scales of balance is Navy's superior condition. But Baer feels the Lions are at least the Middies equal in this department.

"Some of the boys were just getting their second wind in the fourth quarter last week," Baer stated. "And that's a good sign of their condition to me."

Baer also has enough good midfielders that he was able to switch Johnny Behne to his high school position of attack. Last week Behne scored eight goals, one short of the Penn State record for one game.

Baer is so heavy on midfielders that Dick Weeden, who lettered last year, is only on the third midfield trio.

The player that stands out at midfield is junior Bob Swanson, who was ineligible last year. "Swanny" had three goals in the opener but is even more valuable as the team's top playmaker.

The three big boys on defense include former gridders Dick Dill, Andy Moconeri and Dave Erwin. All are heavyweights who are un-
