

Sigma Nu Social Pro Approved

The senate subcommittee on group discipline Friday accepted an Interfraternity Council Board of Control recommendation to place Sigma Nu on social probation until Sept. 1.

The IFC Board of Control's recommendation was accepted in its entirety by the subcommittee. Dean of Men Frank J. Simes said. David Colterill, Sigma Nu president, appealed the decision of the board but his appeal was rejected.

The probation became effective Friday.

Sigma Nu was recommended for social probation by the IFC Board for serving beer to a freshman.

The board's recommendation for Sigma Nu provides that members of Delta Gamma sorority, who are working with the fraternity for Spring Week, would be allowed in the house for work sessions only, but could not stay beyond 8 p.m. The fraternity will not be able to entertain any other women guests in the house while on probation.

Ronald Siders, board chairman, said Sigma Nu must submit a schedule by tomorrow of what time and days it will expect sorority members inside the house.

Siders said the drinking incident occurred early Sunday morning, March 22. An IFC checker had found a freshman in the house with a cup of beer in his hands, although there was no evidence that he had been drinking, he said.

According to Siders, Sigma Nu denied the freshman had been drinking and said the board's penalty was recommended because the freshman had been served the beer. Extension of probation until Sept. 1 was made to prevent any last minute "blasts," he said.

Gilbert--

(Continued from page one) ning, former professor of animal husbandry at the University, explained to The Daily Collegian last night that "consulting is a normal policy for all people. I'm sure President Walker is used as a consultant. This is a normal procedure not only here, but at other universities."

Henning went on to say that he thought Gilbert was probably the most qualified man in the state to handle the job of scheduling athletic events for the Farm Show Arena. Henning referred to Gilbert's former post of scheduling athletic events for the University during which he made numerous contacts with colleges and high schools throughout the state.

On the issue of the salary and related traveling expenses, Henning said Gilbert was used only on "a consultant basis" and that "he was paid a nominal fee of \$35 a day. Wherever he went, I sent him in promoting the use of the (new basketball) floor."

Henning was also disturbed because he had only received the second rejection yesterday, a day after the auditor-general's office had released it to the newspapers. But Henning said the request for "justification" of the expenses was "normal procedure" in Harrisburg and he feels he can easily justify the expenses.

Coach Sees 'Tonic'

(Continued from page seven) with 12 of the misdemeanors while Navy acquired 6.

The Navy attack completely dominated the Lion nets as they fired at will, scoring on more than half their shots.

Twelve individual scorers figured in the Navy tote sheet with 10 of them making two or more goals. Karl Ripplemire, one of Navy's top booters, led the pack with 5 tallies.

Lion Netmen--

(Continued from page six) Gary Moore. Don Harnett, who was ill for Saturday's match, will be playing his first match of the season. McCartney, also missing from Saturday's line-up, will be playing in the sixth position for the Lions.

5 Alums Named As Recipients Of 1959 Award

Five of the University's most distinguished alumni have been selected as recipients of the 1959 distinguished alumnus award.

President Eric A. Walker said the alumni have been chosen because their "personal life, professional achievements and community service best exemplify the objectives of the University."

The awards will be conferred upon the five men June 13 as part of the annual Alumni reunion.

Selected as winners are H. J. Anslinger, who was born in Altoona and who since 1917 has been in government service. He was the first Commissioner of Narcotics named by the United States in 1930.

E. T. Asplundh, who has been associated with the Pittsburgh Plate Glass Company since 1919. He is presently chairman of the company's board of directors.

Fred P. Dodge, who began a career with The Texas Co. in 1906 which continued until his retirement in 1946, was also selected. George L. Haller, former dean of the University's College of Chemistry and Physics, who in 1954 joined the General Electric Co. as general manager of its Defense Electronics Division was also chosen. In 1958 he was named vice president.

The fifth recipient of the award is Van H. Leichter, who joined the American Steel and Wire Division of United States Steel immediately following his graduation in 1930. He was named president in 1956.

Active Alumnus, Cochrane, Dies

Robert K. Cochrane Jr., who served for 21 years as a member of the Athletic Advisory Board, died in Pittsburgh last week.

Cochrane, a member of the Class of 1918, was secretary and manager of the Pittsburgh Builders and Exchange at the time of his death. He served as varsity football manager in 1917 and was a member of Kappa Sigma fraternity, and Parmi Nous and Lions Paw honorary societies.

He was first elected to the advisory board in 1935 as a representative of the Alumni Council. Cochrane served as chairman of the board from 1937 to 1943. He was also a member of the Alumni Council from 1945 to 1959.

TKE Takes First--

(Continued from page one) Kappa Lambda and Alpha Chi Omega took fourths in the quarter divisions.

The banquet tonight was to have been the last of the Greek Week activities; however bad weather last Saturday forced the postponement of the work projects until this Saturday.
